

Figure S1 Reflectance spectra for **2**. Dashed and full curves indicate before and after photoirradiation, respectively.

Figure S2 Reflectance spectra for **3**. Dashed and full curves indicate before and after photoirradiation, respectively.

Figure S3 Reflectance spectra for **4**. Dashed and full curves indicate before and after photoirradiation, respectively.

Figure S4 Reflectance spectra for 5. Dashed and full curves indicate before and after photoirradiation, respectively.

Figure S5 Reflectance spectra for **6**. Dashed and full curves indicate before and after photoirradiation, respectively.

Figure S6 Reflectance spectra for 7. Dashed and full curves indicate before and after photoirradiation, respectively.
