

STRUCTURAL
CHEMISTRY

Volume 78 (2022)

Supporting information for article:

**Structural phase transition in a charge-transfer compound:
tropylium hexafluoroantimonate(V)–1,4-dimethyl-
naphthalene (1/1)**

Rong-Meng Liao, Zhen An and Heng-Yun Ye

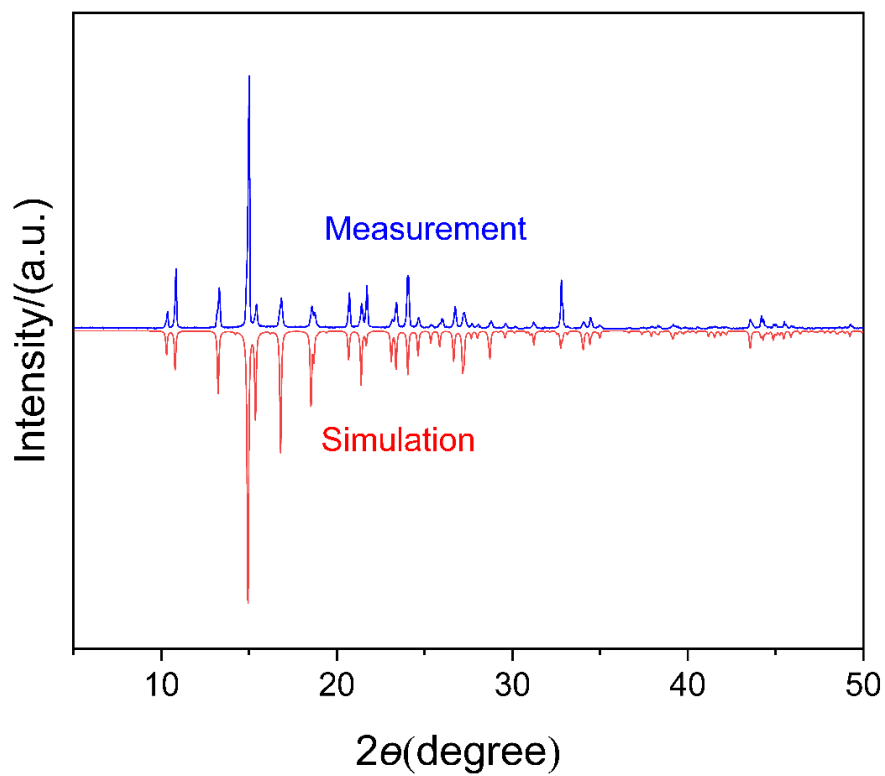

Figure S1 The powder X-ray diffraction (PXRD) pattern of **1** was measured at room temperature, verifying the purity of the bulk phase.
