PLANNING COMMISSION

STATISTICAL YEAR BOOK

2005

INTRODUCTION

The Plateau State Statistical Yearbook (PSSYB) is an annual publication of the Department of Statistics, State Planning Commission Jos .

In this fifth edition of the publication, an attempt has been made to bring together a compendium of relevant statistics for use by both the public and the private sectors of the economy as well as researchers.

Areas of coverage are in Population, Manpower, Prices, Mineral resources, Health, Education, Tourism, Financial institutions, Crime statistics, Local Government and Cooperative Statistics.

Most of the tables presented are in summaries, however, if details are required, readers may contact the Department of Statistics, State Planning Commission Jos or contact the source as indicated beneath the tables.
Suggestions and corrections which will help improve the quality of subsequent editions will be welcome please.

State Planning Commission, Jos.
