According to the 6PM news in Charlotte, he is in hospital, but the accident is being investigated by the CMPD Homicide division, so that tells me it must be bad.

His stupidity and violent nature finally caught up with him. He got what he deserved.

Fed up with losers

Bev, most of the arrests were not for violence, and he has been clean since the beginnig of the 2008 season. So I don't know where you get the "violent nature". According to the article, a human was seriously injured and may not survive - and you say he got what he deserved. I believe in karma, so you may get what you wish on someone else.

domestic abuse is violent. He's been bad news for EVER.His karma caught up with him. I don't beat people up. I have good karma.

Bev-341827

By the way, he'd been arrested for assault and criminal destruction. Karma.

It's funny you would say "most" of his arrests were not for violence. You must come from the "hood".

He is a thug!

Just look at his record since he has been in the NFL; he has had at least 12 incidents with the police. He was also a problem in college.

As a contemporary saying goes: you can take the boy outta the hood, but you can't take the hood outta the boy.

Jeff-573598

He IS a thug...plain and simple. This incident has NO bearing on his "thug-ness" - THAT's already been established.
You guys make these players into gods..you probably think Polanski should go free too, because he's a celebrity. F -you !
So, he can catch a ball ...so what ?

A thug is a thug is a thug.....geez..all the bleed hearts that are like "poor Chris". People that act this way (and he does have a record... a wrather long record...read it folks before you open your mouth...which most of you won't) always end up this way. Call it what you will. I really don't care. How many free passes do you get. If I had been arrested that many times, I'd still be in jail. Poor baby...I hope it works out for him, so he can get well and find his way back in jail.....again.

DAN VASS

if he was white, you would not have called him a thug! racist piece of crap!

#2.6 - Wed Dec 16, 2009 10:20 PM EST 1 vote

MaggieInFlorida

That's ridiculous. The word "thug" has been part of the English language for centuries and it means what it means. It is not a racist term. The problem is, some people get on these threads that involve black celebrities or any black person and charge racism at any expression of disapproval.

#2.7 - Wed Dec 16, 2009 10:47 PM EST 4 votes

Jeff-573598

Yeah Dan..and if he killed 50 people, you'd STILL call anyone who condemned him an "Uncle Tom". Yes, THAT'S it ! We MUST be racist ! It MUST be about his color..it CANT be about his 11 arrests.

#2.8 - Wed Dec 16, 2009 11:06 PM EST 4 votes

T-Pain

Dan your right...if he was white and had not been arrested more times than grades you passed...well, that's a compliment to you...cause he's been arrested many..many..many times so you must have a doctorate..anywhooo.lol..you are only helping the stereotype..stop..read the facts..he's a thug..black..white..red..

More low-level drama from a low-level person.It's ALWAYS something with him. Talk about having no redeeming qualities. His parents failed in a big way.

What do you expect from the culture than worships bling over books.

Right on.....And we thought Tiger Woods was perfect. Wrong. They all need more money and bigger diamond earings I guess. Really sad but it is our fault too for too much praise.

Ok, and Ensign and Sanford need more money and their frigid wives need bigger diamonds - gee, they are quite the thugs too - yet sadly, are not in jail themselves. Double standard? Oh no, of course not.

I have pondered that question too. Like our Methodist minister, great guy, lived with his wife and daughter in our neighborhood - threw it all away for some dipsh!t that he was supposably "counseling". It's like Tiger, I remember seeing him play at the Muirfield tournment in Ohio as a young man - so popular, and he married, had a couple kids, but all was not well - 10 women later he is likely to lose that seemingly wonderful life. Why the self destruct? Sad.

Dummy? You are the one that can't spell. Not a typo, just ignorance. And I do care. I care that Henry seemed to be turning his life around and had this happen. It's a shame and I hope the best for him.

As for you, I want you to remember this. Jesus Loves You. He really does. Everyone else thinks you're an a-hole.

It seems more Bengals are in trouble with the law or have some sort of drama going on than any other NFL team in the past and present. Guess that's what happens when you live that type of life. What idiot jumps in the back of a moving vehicle in the heat of a domestic argument? He may be"insanely talented" but that doesn't substitute for brains and common sense...

i didnt see anything in the article that would warrant charges against her. did the article say she did

something to make him fall out? do you know he didnt jump out? do you know he didnt fall out on his own by standing up or acting like an idiot? i assume this was at night and it is very possible she didnt notice he wasnt back there.

For running from a dirtbag trying to injure her or worse. She should have done a u-turn and ran him over.

They said the girlfriend's surname was "Tonga", which would lead most to consider she is from Polynesia... not that ethnic origin would make a whit of difference in this case.
