Meeting the People.

Candidate Bowerman met hundreds of his old friends and acquaintances on the streets today. Farmers and laboring men who had known him since he was a boy, greeted him with pleasure and real enthusiasm. At 2 o'clock he went in an automobile with several leading Republicans to Willamette field and was given an ovation at the football game. He will be at there again on the streets tonight between 7 and 8 o'clock, when the band will play and he will speak to the people before the opera house meeting. RUNNING A-MUCK IN HONDURAS

ENGLISH AND AMERICANS ARE IMPRISONED BY ORDER OF CITY COMMANDANTE, BEING CHARGED WITH FOMENTING A REVOLUTION.

(SPECIAL CABLE LEASED WIRE)

Guatemala City, Oct. 8.—Foreigners are fleeing in terror from Amapala, Honduras, following the imprisonment of English and Americans and the seizure of their property by the city commandante last night.

The jailing of the Americans and Englishmen is believed to be inaugurated to consternation to death.

The foreigners are accused of fomenting a revolution.

Anarchy prevails and the authorities are not attempting to prevent pillage. The British consul at Amapala has fled to San Salvador, and has called asking for a cruiser.

The commandante announced that he will hold the city if the worst happens.

American interests are menaced, and the property of the American railroad has been seized by the authorities.

American refugees are appealing for protection.

"Death to Taft's Dogs!"

New Orleans, La., Oct. 8.—Private telegrams today state that Americans in Honduras are calling Washington to send warships.

Another Big Forest Fire.

Santa Cruz, Cal., Oct. 8.—A forest fire, which already has destroyed over a thousand acres of timber land, and which threatens the Santa Cruz big trees, is burning today at the head of Bear creek. Gangs of men are being gathered to fight it, as the trees who have been trying to stock the flames are exhausted, according to telephone messages received here.

The fire started near Ben Lomond. Embers from a camp fire are supposed to have caused it.

WILL DRIVE OUT RELIGIOUS ORDERS QUELPOS MONASTERY BOMBARDED

MONKS PUT UP GOOD FIGHT BUT YIELD TO ARTILLERY--- WILL EXECUTE LEADERS

Republic Will Condemn and Purchase Property of All Monasteries, Convents and Other Orders---and Sunday Will Issue Decree Ordering All Religious Orders to Vacate Portugal Within 24 Hours---Many Priests, Accused of Sedition, Are Under Arrest and Awaiting Trial.

(SPECIAL CABLE LEASED WIRE)

Lisbon, Oct. 8.—The republic of Portugal today formally proclaimed an order of banishment against King Manuel, Queen Mother Amelia, Dowager Queen Maria Pia and the Duke of Oporto. It was learned today that the Duke of Oporto was captured while fighting, and that he was escorted to the seacoast and placed aboard the royal yacht Amelia. This order against him and the Pala's king is most strict.

It was reported here today that Don Manuel had attempted to commit suicide at Gibraltar following the news of the banishment, and that he was prevented from carrying out his purpose by his mother. This report could not be confirmed here, but nevertheless it created considerable excitement.

Provisional Brags insisted today that the reports from the provinces are encouraging to the Republicans.

"The people are still very excited," said the new executive, "and until normal conditions are restored we will take every precaution against endangering our new-found liberties."

It is reported that leading Royalists and Clericals, who have been most active in opposing the Republic, will be executed.

This rumor also could not be confirmed, but those who are in close touch with affairs say that it is unlikely, judging from the moderation that so far has marked the action of the revolutionary leaders. It is feared in some quarters that the new government may go too far in punishing its enemies.

It is certain, however, that undesirable Catholics will be expelled and that monasteries and convents will be closed, and their property seized. All monastery and conventual lands and valuable will be confiscated by the republic. In this way lands will be practically confiscated by the government, and purchased for educational aims.

Many priests, accused of sedition, are under arrest and await trial.

It was officially announced today that officers of the army and navy, who had succeeded in overthrowing the republic, would be protected. This also applies to citizens men who distinguished themselves in action.

Details of the capture of Queluz monastery are reaching here today.
