THE FIRST GLIMPSE OF "LIBERTY."

The Landing of the Immigrant.

By M. C. Pelton.

THE recent revolution in the old loose methods in regard to the inspection of immigrants was no doubt brought about by the first torchlight applied by those who considered unrestricted immigration a menace. They even went to such fanatic extremes as to wish to bar out all lowly foreigners for a certain

complished such definite ends. Working against popular opinion—though with the mighty support of the govern-

UNDESIRABLES.

Influx of immigrants - "Undesirables"
