"SNIPPER" GETS LOCK FROM HEAD OF CHILD

Cuts Off Golden Curl in Crowd at Park-St Station

Alma Troy, 11, of Arlington, Victim While About to Board Car

Crowding against her in the throng at the Park-st subway, a man, apparently of foreign extraction, yesterday afternoon clipped a long golden curl from the head of Alma Troy, 11-year-old daughter of Mr and Mrs Frank V. Troy of 32 Pine st, Arlington. He escaped in the crowd before the child could tell her mother, who was accompanying her.

The child and her mother were on their way from home in Arlington to the Arlington-st station of the Boylston-st subway, where they planned to meet the child's father. They left a train in the Cambridge tunnel and reached the upper level of the Park-st station, as their car approached.

They pushed into the crowd to board it, and just as they were about to enter, Alma felt a tug at her hair. Turning quickly, she saw a lock of her hair in one hand of the man. In his other hand was a shining instrument, either a knife or pair of scissors.

Frightened, she did not recover sufficiently to tell her mother about the occurrence until they were on the car. Her assailant had turned and pushed his way out of the crowd.

Mrs Troy and her daughter continued to Arlington st, where they met Mr Troy. He reported the matter to the police of the LaGrange-st station. The child described her assailant as a dark-complexioned man of stocky build, hatless and dressed in a dark brown suit.

STONEHAM MAN DRAGGED 200 FEET BY AUTOMOBILE

HINGHAM, June 8—Charles Vevilacqual of 3 Emerald ct, Stoneham, had a narrow escape from serious injury today when he was struck by an automobile operated by Mrs Rebbecca Symonds of Bilford st, this town, which struck him as he was standing at the door of his machine on Summer st.

In turning the car Mrs Symonds lost control it is stated, and Vevilacqual, to prevent himself from being run over by the rear wheels, grabbed at the bumper as he was falling. Before Mrs Symonds could bring the machine to a stop it had proceeded more than 200 feet with Vevilacqual being dragged underneath.

He sustained a few body bruises and a wrenched shoulder. The Hingham police investigation is being conducted by patrolman Hugh J. Gilleece.

TEN BRICKBOTTOM BUILDINGS PADLOCKED

District Now Resembles Deserted Village

Owners Expected Action—Work Done Without Disorder

With the State troopers relieved from duty in the Brickbottom section of Somerville and 10 buildings or parts of buildings padlocked, that district, once teeming with excitement, resembled a deserted village last evening. The troopers were relieved yesterday, having served since the famous raid last August, and were replaced by Somerville police.

Most of the owners expected padlocks, and little disturbance was caused by the officers who served the padlock notices. But Pasquale Reale, who owns a block of 24 apartments and stores at 1 to 15 Joy-st pl and 7 to 9 Joy st, got the shock of his life. He thought only one store was going to be padlocked, but it was the whole building. He hurried about to notify his tenants.

Officers padlocked a store and two rooms in the building at 42 Medford st, owned by Antonio Grassia; a 2½-story dwelling at 34 Ward st, owned by Maria Develis, who laughed at the padlock and said she had lots of houses; two rooms on the first floor of the building at 50 Warren st, owned by Aldia Lombardi; a store and tenement above, at 196 Somerville st, owned by Umberto Biancanano, and a store at 220B Somerville av, owned by Salvatore Ciano. Others had previously been padlocked.

The party included Asst Dist Atty Frederick A. Crafts, Deputy Sheriff J. Fiske Ford, Lieut Charles J. Sharry and Sergt A. F. Sharry of the Somerville police and Sergts M. W. Joyce and William Puzzo and patrolman Roland Chamberlain of the State Patrol.

The appreciation of their work was expressed by Mrs Elizabeth Tilton of the Civic League and other members who spoke including Mrs W. Osborne Pinkham, Mrs Percy E. Thayer, Mrs Helen Elliot and Miss Amy Woods.

Guests present included Commissioner of Public Safety Alfred F. Foote, who thanked the league for their interest in the public welfare, Capt Charles T. Beaupre and a squad of State police officers. Mrs Elizabeth Tilton presided.
