Col. 79. Was person employed in private work, Government work, or emergency work?

Col. 80. Was person employed in private work, Government work, or emergency work?

SYMBOLS AND EXPLANATORY NOTES

Where owner's household consists only of a pair of persons, related or unrelated, the first person is considered the head of the household. Thus the value of the unit occupied by the head is the value of the unit which is considered as the total value of the structure.
