DATAVERSE DISCLAIMER

Whilst utmost care has been taken by the CGIAR Research Program on Forests, Trees and Agroforestry (CRP6), partner institutions and data authors while collecting and compiling the data, the data is however offered "as is" with no express or implied warranty. In no event shall the data authors, the partner Institutions, CRP6, the CGIAR or relevant funding agencies be liable for any actual, incidental or consequential damages arising from use of the data.

By using the CRP6 Dataverse, the user expressly acknowledges that the Data may contain some nonconformities, defects, or errors. No warranty is given that the data will meet the user's needs or expectations or that all nonconformities, defects, or errors can or will be corrected. The user should always verify actual data; therefore the user bears all responsibility in determining whether the data is fit for the user's intended use.
