Household Survey | Stanford-Liberia Community Project

Instructions to the enumerator: With the assistance of the household head, please list all members of the household between the ages of 18 and 60 who have lived in the household for at least one month, eat from the same pot, and are not currently more than two hours away from the village. Select one member of the household using the set of numbered cards assigned to you. Mix up the cards before asking the household head to select a card from the pile.

Please write the name of the person selected on the line below. When you have found this person, separate this cover sheet from the survey and provide to the team leader at the end of the day.

PERSON SELECTED: _____

Household Survey | Stanford-Liberia Community Project

C: _____

Gender of Respondent:	**MALE**	**FEMALE**
Interest Rate:	**2X**	**5X**
Composition:	**MIXED GENDER**	**ALL FEMALE**

Survey Information

Location: _____ _____ _____ _____
DISTRICT TOWN NAME IRC CODE HOUSEHOLD #

Interview Information: _____ _____
DATE (MM/DD/YY) TIME (24 HOUR CLOCK)

Enumerator Information: _____ _____
NAME ID #

Survey ID: _____ -- _____ -- _____
IRC Code Household # Enumerator ID

How many households did you have to sample before you found a household with someone available? _____

How many individuals within this household refused to participate before you began enumerating this person? _____

1 Background Information

Q1. Gender	Female	Male
Q2. Age	_____ [Years] _____ [Year of Birth]	
Q3. Ethnic Group [Use Ethnic Group Codes]	_____	
Q4. What is the highest level of school you achieved? [Use Education Codes]	_____	
Q5. Were you born in this community?	No	Yes
Q6. How long have you lived in this community?	_____ [Years]	
Q7. Are you currently married or living with a partner?	No	Yes
Q8a. How many children do you have living with you in this household?	_____ [# of Children]	
Q8b How many people between the ages of 18 and 60 live in your household and eat from the same pot? _____ Male _____ Female How many of these people are within two hours of the household today? _____ Male _____ Female		
Q9. Do you consider yourself:		
a. an internally displaced person?	No	Yes
b. a conflict returnee?	No	Yes
c. an ex-combatant?	No	Yes
d. a victim of the conflict?	No	Yes
e. among the poorest households in the village?	No	Yes
f. a personal relative of the chief?	No	Yes
Q10. What material is the roof of your house made of? [Use Roof Codes]	_____	
Q11. What material are the walls of your house made of? [Use Walls Codes]	_____	
Q12. How many of the following does your household have? [PROMPT]		
a. chickens?	_____	
b. radios?	_____	
c. How many tins of rice did you plant this year?	_____	
Q13. Did you vote in the last Presidential Election?	No	Yes
Q14. Prior to this last week, have you spoken to the village chief in the past six months to raise any issue?	No	Yes
Q15. Prior to this last week, have you attended a community meeting in the past six months?	No	Yes
Q16. Are you a member of any community associations such as:		
a. Susu/Koo?	No	Yes
b. A committee to support community development (water, schools, agriculture, etc.)?	No	Yes
c. A religious association?	No	Yes

2 Community Characteristics

Q17. Over the past six months, have you participated in any communities initiatives to [PROMPT]:		
a. Rebuild a **primary school** or **health clinic**?	No	Yes
b. Brush or re-grade a **local road**?	No	Yes
c. Increase **agricultural productivity**?	No	Yes

Q18. Compared to neighboring towns, how trustworthy are community leaders in this town? [PROMPT]	1. Much Less 2. Less 3. Equally 4. More 5. Much more
Q19. Compared to other towns in Lofa County, how trustworthy are community leaders in this town? [PROMPT]	1. Much Less 2. Less 3. Equally 4. More 5. Much more
Q20. If a community leader in this town got access to some funds to be used for the community, what share do you think he/she would keep for his/her private use? [PROMPT]	1. None 2. A little 3. Some 4. Most

g. in education	1	2	3

3 Stanford-Liberia Community Project

Q22. Have you heard about the "Stanford-Liberia Community Project"?	No	Yes
Q23. If yes, tell us what you heard about the project? _____ _____ _____		
Q24. Did you attend the first village meeting for this project one week ago?	No	Yes
Q25. After the project was announced, do you know of any more village meetings that were held to discuss the project?	No	Yes
Q26. Did you attend any of these meetings?	No	Yes

Q27. Who organized these meetings? [PROMPT]	1. Chief 2. Town elders 3. A committee of community members 4. Other community members 5. Don't know 6. Other _____
Q28. How many people attended these meetings? [PROMPT]	1. No one 2. A few people 3. About half of the people in the village 4. Most of the people in the village 5. Everyone in the village 6. Don't know

4 Community Representatives

Q29. Do you know which individuals have been selected to represent the community for the project?	No	Yes

IF THE ANSWER IS NO, PLEASE SKIP TO Q38

Q30. If yes, please list their names:	1. _____ 2. _____ 3. _____			
Q31. Have any of these people played a leadership role in community activities before?	No	Yes	Don't know	
Q32. If a large sum of money was given to these three representatives for a village project, how likely is it in your view that these three people would use this money effectively to implement the project? [PROMPT]	Certain	Likely	Unlikely, but possible	Impossible
Q33. Which of these best describes how these representatives were selected? [PROMPT]	1. Chosen by chief 2. Chosen by village elders 3. Community voted 4. By consensus after discussions in the community 5. I don't know 6. Other _____			
Q34. Were these representatives selected in a public place?	No	Yes		
Q35. Were there people who wanted to be on the committee who were not chosen?	No	Yes		
Q36. Did some people in the community say that they wanted different people to serve on the committee?	No	Yes		
Q37. Are any of the people on the committee personal relatives of the chief?	No	Yes		

SKIP TO HERE IF ANSWER WAS "NO" ON Q29 OR RESPONDENT GAVE ANY WRONG NAMES ON Q30

Q38 *If the respondent did not know the names of the community representatives (Q29)* ***or*** *provided any incorrect names (Q30), then tell the respondent the names of the individuals who are in fact representing the community.*

According to the information provided to our team today, the three people representing your community are:

1. _____

2. _____

3. _____

Do you know any of these people personally?	No	Yes		
Q39. Are any of these people personal relatives of the chief?	No	Yes	Don't know	
Q40. Have any of these people played a leadership role in community activities before?	No	Yes	Don't know	
Q41. If a large sum of money was given to these three representatives for a village project, how likely is it in your view that these three people would use this money effectively to implement the project? [PROMPT]	Certain	Likely	Unlikely, but possible	Impossible

5 Project Selection

Q42. Do you know which projects the community has proposed to implement?	No	Yes

IF THE ANSWER IS NO, PLEASE SKIP TO Q50

Q43. What project did the community propose to implement if it receives between 12,500 Liberty and 25,200 Liberty?			
Q44. What project did the community propose to implement if it receives less than 12,500 Liberty?			
Q45. Was there a public meeting held to discuss which projects the community should propose?	No	Yes	Don't know
Q46. Which statement best describes how the decision of which project to propose was made? [PROMPT]	1. The chief decided 2. Village elders decided 3. Community representatives decided 4. The community voted 5. By consensus after discussions in the community 6. I don't know 7. Other _____		
Q47. Which of these statements best describes how important you believe these projects are? [PROMPT]	1. Among the most important things for this village 2. Important but not the highest priority 3. Not important for this village 4. Possibly harmful for this village 5. I don't know		
Q48. How many people were there who had different views of which projects should be proposed? [PROMPT]	1. Very many people 2. Many people 3. Some people 4. A few people 5. No one 6. I don't know		
Q49. If you could have chosen, which projects do you believe deserved the highest priority?	If the community earned less than 12,500 Liberty _____ If the community earned between 12,500 and 25,200 Liberty _____		

Q50 If the respondent did not know the projects that were proposed (Q42) or provided incorrect answers (Q43, Q44), then tell the respondent which projects were proposed.

According to the information provided to our team today, the two projects proposed were:

Between 0 and 12,500 Liberty _____

Between 12,500 and 25,200 Liberty _____

Which of these statements best describes how important you think these projects are? [PROMPT]	1. Among the most important things for this village 2. Important but not the highest priority 3. Not important for this village 4. Possibly harmful for this village 5. I don't know		
Q51. Do you think the people serving on the committee will benefit more from these projects than others in the community if they are implemented?	No	Yes	Don't know
Q52. Do you think the chief will benefit more than others from these projects if they are implemented?	No	Yes	Don't know
Q53. Do you think that most people in the community will benefit if these projects are implemented?	No	Yes	Don't know

6 Contacts

Q54. Are you aware of any meetings held in the past week to discuss this project or the game you played today, after our initial visit one week ago?	No	Yes
Q55. Has anyone contacted you personally about the project?	No	Yes
Q56. Has anyone contacted you personally about playing the game?	No	Yes
Q57. Were you asked to stay at home today to be able to play the game?	No	Yes

7 Reflections on the Game

I want to ask you some questions about how you think other people played the game in this community.	
Q58. Of these 23 other households, how many households do you think:	
Kept all 300 Liberty for their household and gave 0 to the community?	_____
Kept 0 for themselves and gave all 300 Liberty to the community?	_____

Q59. Of the 23 other households playing this game today in your community, do you think most people gave 0/100 Liberty to the community, or that most gave 200/300 Liberty?	0 0/100 Liberty	1 About the same	2 200/300 Liberty

[If the respondent answered "0/100" to Q59 ask the following question]

Q60. You guessed that more people gave 0/100 than gave 200/300. If it turned out that more people actually gave 200/300 than 0/100, then would you have wanted to give more or less, or would it not have made a difference in your decision?

Less	No Difference	More

Q61. If you said "more" is this because [PROMPT]:

You want to do your part to help the community if others are doing their part	1
You feel that if many others are making contributions, your contribution would have an even bigger impact	2
Both	3
Other	4

→ Q62. If you said "both": which of the two reasons (either 1 or 2) was most important in your decision? 1 / 2

[If the respondent answered "200/300" to Q59 ask the following question]

Q63. You guessed that more people gave 200/300 than gave 0/100. If it turned out that more people actually gave 0/100 than 200/300, then would you have wanted to give more or less, or would it not have made a difference in your decision?

Less	No Difference	More

Q64. If you said "less" is this because [PROMPT]:

You feel that if others aren't contributing to the community, you shouldn't either	1
You feel that if there are very few contributions, your contribution won't help as much to make the project worthwhile	2
Both	3
Other	4

→ Q65. If you said "both": which of the two reasons (either 1 or 2) was most important in your decision? 1 / 2

Q66. Do you think that most men would give more to the community than most women, most women would give more than men, or they would give about the same?	Men would give more	1
	Women would give more	2
	Give about the same	3

Q67. In thinking about how much to give to the community, which of the following reasons mattered to you [PROMPT]:

a. the projects?	I didn't like the projects	1
	I liked the projects	2
	This didn't matter to me	3
b. the process for choosing the projects?	I didn't like how the projects were chosen	1
	I liked how the projects were chosen	2
	This didn't matter to me	3
c. the handling of the money?	I didn't think the money would be used properly	1
	I thought the money would be used properly	2
	This didn't matter to me	3
d. what people will think?	I worried that people would find out about my decision	1
	I didn't worry that people would find out about my decision	2
	This didn't matter to me	3

Q66. Did anyone suggest to you personally, or to the members of the community, that you should contribute money if you were chosen to play the game?	No	Yes	
Q67. Do you think it is likely that other people in the village will find out how much money you contributed?	No	Yes	Don't know

8 Enumerator to answer after completion of the household survey

Q64. Did the individual get the test questions about calculating interest rates correct?	No	Yes
Q65. Did you have to explain the instructions for playing the game a second time?	No	Yes
