al principio del video vemos que estamos en la ciudad
at the beginning of the video we see that we are in the city
"At the beginning of the video we see that we are at a city"

hay gente que camina por la calle
There is people that walk by the street
"There is people walking on the street"

vemos que luego la escena se enfoca en un supermercado
we see that then the scene is focused in a supermarket
"We then see that the scene is centered around a supermarket"

y vemos a un conejito que adentro está haciendo sus compras
And we see to a little rabbit that inside is doing its shoppings
"And we see a little rabbit in it that is shopping"

pero de repente se acerca un lobo y lo interrumpe
But suddenly it approaches a wolf and it interrupts
"But suddenly a wolf approaches it and interrupts it"

y lo echa a su carrito
and it throws to his cart
"And throws it in its cart"

con la intención de # cocinarlo al rato
with the intention of cooking it in a while
"with the intention of cooking it afterwards"

el lobo procede a # echar varios condimentos varias verduras
the wolf procedes to throw various condiments various vegetables
"The wolf procedes to get some condiments and some vegetables"

mide al conejito para ver si cabe en un sartén
measures to the little rabbit for see if it fits in a (masc) pan (fem)
"Measures the little rabbit to see if it fits in a pan"

y todo está bien hasta que # empieza a # a empujar al conejito adentro de un carrito de compras
and all is good until that it starts to to push to the little rabbit inside of the cart of shopping
"And everything is fine until he starts pushing the little rabbit inside of the shopping cart"

y entonces con la fuerza varios condimentos varias salsas se riegan
and then with the strenght various condiments various sauces are watered
"and due to the strenght some condiments or sauces spill"

entonces con estas salsas se se el piso vuelve resbaloso
then with these sauces it it the floor become slippery

http://dx.doi.org/10.7910/DVN/28602

"then due to the sauces the floor gets slippery"

y # el carrito y el lobo chocan contra uno de los gerentes de la tienda
and the cart and the wolf crash against one of the managers of the store
"And the cart and the wolf crash against one of the managers of the store"

al chocar con el gerente
at the crashing with the manager
"by crashing with the manager"

y como el suelo aun está resbaloso
and as the floor still is splippery
"and because the floor is still slippery"

el gerente y el lobo comienzan a resbalarse por todos lados
the manager and the wolf start to slip for all places
"the manager and the wolf start slipping everywhere"

y # se resbalan hasta que acaban adentro de una caseta donde se pueden tomar fotos
and they slip until that finish inside of a booth where it can take photos
"and they slip until they end up inside a booth where you can take photos"

y toda esta escena al final se vuelve algo cómica
and all this scene at the end it becomes some comic
"and this whole scene ends up being a little bit funny"

porque el lobo y el gerente están bailando
because the wolf and the manager are dancing
"because the wolf and the manager are dancing"

y al final se ve que una vez que están en la caseta
and at the end it seen that one time they are in the booth
"and at the end you can see how once they are in the booth"

se toman una foto
they take a photo
"they take a photo of themselves"
