This folder contains replication data and code.

- `analyses.do` includes Stata code for all analyses in the paper, including:
    - Table 1
    - Figure 4
    - Table A1-A6 (SI)
- `rebel_control.dta` includes coding for ZANU and ZAPU presence and contestation, and is coded by the author qualitatively.
- `shona_80pct.dta` includes the average percentage of the Shona population in each district, coded according to Afrobarometer rounds 1-6.
- `ipums 2012 census sample.dta` is the Zimbabwe 2012 census file, downloadable from IPUMs.
