Citation format for the WVS survey dataset

Dear data-users,

Please, be aware that the WVS survey data can be used free of charge and with no registration required for any non-commercial purpose such as research, teaching, publication etc. At the same time, it is the requirement of the WVS Association that a citation in a proper format is included into the list of references in your article/ book/ presentation/ report etc. Below you may see requirements for the WVS data citation for each survey wave and the time-series dataset.

New WVS data (released in July 2020)
