Notes on supplemental table:
Paleontological and archaeological passenger pigeon bones by geological epoch and geographical location. Includes sites up to approximately A.D. 1800. Many sites are not firmly dated and/or contain multiple or mixed assemblages.
Abundance: # = present (no counts, only MNI reported, or otherwise unclear or unreported), * =1-10, **=11-100, ***=101-1,000, ****=1,001 or more.
