SUBMISSION BY INDONESIA

Pursuant to the conclusion adopted by the Ad hoc Working Group on the Paris Agreement (APA) at its first session in May 2016 particularly agenda item 4 in conjunction with the forty-forth session of UNFCCC Subsidiary Bodies in May 2016, the Government of the Republic of Indonesia submits herewith ***Information and views on any work of the future session of the APA as follows:***

a. Encourage Parties to comply to the pre-2020 commitment as a prerequisite in creating a conducive environment and as psychological foundation of the APA work as well as to boost the confidence on the implementation of the Paris Agreement;

b. Request Co-Chairs of the APA to prepare 2017 - 2018 road map of work plan to anticipate an early entry into force of the Paris Agreement;

c. Request Co-Chairs of the APA to circulate the resume of guiding questions as resulted by the first session of the APA during Bonn Climate Conference in May 2016, to be considered as a base for next negotiation meeting;

d. Request the Secretariat of the UNFCCC to organize technical workshop particularly on cross-cutting and crucial issues such as mitigation, adaptation, transparency, global stocktake and finance. The workshop is suggested to be held before the APA session as its result will be proposed for consideration as the Parties' reference for next negotiation meeting;

e. Invite Chair / Co-Chairs of technical workshop to:
   (i) report the result of technical workshop during APA informal consultation meeting;
   (ii) review the progress of the latest negotiation at the beginning of each of its technical workshop.
