Data Dictionary for Job Displacement and the Duration of Spatial Mismatch

Variable	Label	Values	Source
qtr_hire_earndom_00	Quarters of after displacement until any new job is obtained.	[0 - 9]	LEHD
qtr_hire_earndom_75	Quarters of after displacement until a new job is obtained with over 75% of previous job quarterly earnings.	[0 - 9]	LEHD
qtr_hire_earndom_90	Quarters of after displacement until a new job is obtained with over 90% of previous job quarterly earnings.	[0 - 9]	LEHD
ratio_predfeas_all_10	Job Accessibility using predicted mode choice where transit is feasible, considering all jobs with, tau=10 minutes.	(-2, 2)	LEHD
female	Sex of displaced worker.	1=female	HCEF
grp_white	Race/ethnicity of displaced worker.	1=white non-Hispanic	HCEF
grp_black	Race/ethnicity of displaced worker.	1=black non-Hispanic	HCEF
grp_hisp	Race/ethnicity of displaced worker.	1=Hispanic	HCEF
grp_other	Race/ethnicity of displaced worker.	1=other non-Hispanic	HCEF
age_20_24	Age of displaced worker.	1=20 to 24	HCEF
age_35_44	Age of displaced worker.	1=35 to 44	HCEF
age_45_54	Age of displaced worker.	1=45 to 54	HCEF
age_55_64	Age of displaced worker.	1=55 to 64	HCEF
earntotallhuln	Total earnings (ln) of displaced worker housing unit in year before displacement.	log earnings	LEHD
earntotallln	Total earnings (ln) of displaced worker in year before displacement.	log earnings	LEHD
earndomln	Total earnings (ln) of displaced worker from lost job in year before displacement.	log earnings	LEHD
earndomsepln	Total earnings (ln) of displaced worker from lost job in quarter of separation.	log earnings	LEHD
tenuredom	Quarters tenure of displaced worker at lost job in two years before displacement.	[1 - 8]	LEHD
jobcount_hist	Count of jobs held by displaced worker in two years before displacement.	1=hist to hist	LEHD
sep_time_0020	Estimated travel time by automobile for displaced worker from home to workplace of lost job.	1=time < 20 minutes	LEHD
sep_time_40up	Estimated travel time by automobile for displaced worker from home to workplace of lost job.	1=time > 40 minutes	LEHD
poverty_rate	Census tract poverty rate for residence of displaced worker.	(0 - 1)	SF3
owner_rate	Census tract home ownership rate for residence of displaced worker.	(0 - 1)	SF3
pop_sq_mile	Census tract population per square mile for residence of displaced worker.	> 0	SF3

Data Dictionary for Job Displacement and the Duration of Spatial Mismatch

Variable	Label	Values	Source
build_age_med	Census tract median age of housing unit for residence of displaced worker.	(0, 60)	SF3
sec_sep_good	Industry of displaced worker at lost job: Goods producing and distribution. NAICS=[11,21,22,23,31-33,42,48-49]	[0, 1]	LEHD
sec_sep_retl	Industry of displaced worker at lost job: Local services. NAICS=[44-45,56,71,72,81]	[0, 1]	LEHD
sec_sep_prof	Industry of displaced worker at lost job: Professional services. NAICS=[51,52,53,54,55]	[0, 1]	LEHD
sec_sep_educ	Industry of displaced worker at lost job: Education and public services. NAICS=[61,92]	[0, 1]	LEHD
sec_sep_heal	Industry of displaced worker at lost job: Health care services. NAICS=[62]	[0, 1]	LEHD
sep_seas_1	Quarter 1 for separation of displaced worker.	[0, 1]	LEHD
sep_seas_2	Quarter 2 for separation of displaced worker.	[0, 1]	LEHD
sep_seas_3	Quarter 3 for separation of displaced worker.	[0, 1]	LEHD
sep_seas_4	Quarter 4 for separation of displaced worker.	[0, 1]	LEHD
sep_2000	Year 2000 for separation of displaced worker.	[0, 1]	LEHD
sep_2001	Year 2001 for separation of displaced worker.	[0, 1]	LEHD
sep_2002	Year 2002 for separation of displaced worker.	[0, 1]	LEHD
sep_2003	Year 2003 for separation of displaced worker.	[0, 1]	LEHD
sep_2004	Year 2004 for separation of displaced worker.	[0, 1]	LEHD
sep_2005	Year 2005 for separation of displaced worker.	[0, 1]	LEHD
puma5	Public Use Microdata Area (PUMA) of displaced worker. (2000 Census geography)		HCEF
h_stfid	Census tract of displaced worker. (2000 Census geography)		LEHD
seindom	State EIN of dominant job that displaced worker was separated from.		LEHD
sep_year	Year of separation for displaced worker.	[2000 - 2005]	LEHD

Data Dictionary for Job Displacement and the Duration of Spatial Mismatch

Variable	Label	Values	Source
grp_c	Race/ethnicity of displaced worker. 1=white non-Hispanic, 2=black non-Hispanic, 3=Hispanic, 4=other non-Hispanic.	[1,2,3,4]	HCEF
sep_sec_c	Industry of displaced worker at lost job. 1=goods, 2=retail, 3=professional, 4=education, 5= health	[1,2,3,4,5]	LEHD
primeearn	Household and earnings status of displaced worker. 0=Married, primary earner, 1=Married, secondary earner, 2=Marital status uncertain.	[0,1,2]	LEHD
age_c3	Age of displaced worker. 1=20-34, 2=35-54, 3=55-64	[1,2,3]	HCEF
earn_c	Total earnings (ln) of displaced worker from lost job in year before displacement. 1-3=lower, 4-5=higher.	[1,2,3,4,5]	LEHD
