Annex 4: Focus Group Discussion Guide

1. **Describe what you know about Corona (COVID-19)? (Probe, what else?)**
2. **What are your views about preventing and controlling it? (Probe, what else?)**
3. **Describe similar experiences in the past and how they were controlled.**
4. **In your view what is the best way to quarantine people suspected to have the disease?**
5. **In your view what is the best way to isolate people suspected to have the disease, so they do not pass it to others?**
