HSD309          There are approximately 300 million people in the United
                States.  How many of them do you think lack health insurance today (before
the health care act goes into effect)?
HSD310          Do you think Saddam Hussein was personally involved in the
                September 11, 2001 terrorist attacks on the World Trade Center and the Pent
agon?
HSD311a         Has the U.S. found Saddam Hussein’s weapons of mass
                destruction in Iraq?
HSD311b         Do you think Iraq probably does or probably does not have
                weapons of mass destruction that the United States has not found yet?
HSD312          Thinking back to just before the U.S. took military action in
                Iraq in March 2003, did you believe <u>at that time</u> that Saddam Hussein
 was personally involved in the terrorist attacks of September 11, 2001 on Washington, D.C.
and New York City?
HSD313          Again, thinking back to just before the U.S. took military
                action in Iraq, did you believe <u>at that time</u> that Iraq possessed wea
pons of mass destruction that were a threat to the U.S. or its allies?"
HSD314a         In March of 2003 the United States took military action in
                Iraq to depose Saddam Hussein.  Do you remember whether <u>at that time</u>
 you favored or opposed the U.S. taking action?
HSD314b         Did you favor or oppose that decision?
HSD315          As you know, in October of 2001, the United States took
                military action in Afghanistan to overthrow the Taliban government when it
refused to hand over Osama bin Laden, who was responsible for the September 11 attacks on th
e United States. Do you remember
HSD316          Did you favor or oppose that action?
HSD317          God in history
HSD318          Do you believe that Barack Obama was chosen by God to lead the
                United States in the global war on terrorism?
HSD319          According to the Constitution, American Presidents must be
                "natural born citizens."  Some groups claim that Barack Obama was not born
in the United States, but was born in another country.  Do you think that Barack Obama was b
