**The 2018 Oklahoma City Exit Poll**
**N=1,359**
**Principal Investigators: Ana Bracic, Mackenzie Israel-Trummel, and Allyson Shortle**

The Oklahoma City Election Day Exit Poll was conducted on November 6, 2018. The survey was fielded to 1,359 voters from twelve precincts at eight polling locations in OKC. Students from the University of Oklahoma acted as survey enumerators. Voters were randomly sampled as they exited the precinct and offered the chance to participate in the survey.

The survey instrument contains the full questions, the codes for the responses, and the variable label in the data file.

Any questions regarding the data gathering process can be directed to Dr. Ana Bracic (bracic@msu.edu), Dr. Mackenzie Israel-Trummel (mit@wm.edu), and Dr. Allyson Shortle (allysonshortle@ou.edu). You are welcome to use this data; please cite it appropriately.
