OMB Control No. 0690-0030
Expiration Date: 07/31/2023

Survey Questions - Pre-Focus Group Session Survey

Public Burden Statement

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0690-0030. Without this approval, we could not conduct this pre-focus group survey. Public reporting for this information collection is estimated to be approximately 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the Nurture Nature Center at: 518 Northampton Street, Easton, PA 18042, Attn: Rachel Hogan Carr, Executive Director, rhogan@nurturenature.org.

1. How did you learn about this focus group?

Facebook + another participant

2. What was your reason for attending?

I live in an area that is severely affected by flooding

3. Have you, a family member, or close friend experienced one or more significant flood events (e.g., experienced damage, loss, evacuation) where you used National Weather Service (NWS) products or information?

___Yes X No

If yes, please indicate: ___ within the last 2 years ___2-5 years ago ___ more than 5 years ago

4. Do you currently use NWS flood forecast products?

___Yes X No ___Unsure

If yes, please indicate which ones:

5. How could NWS flood forecast products be made more valuable to you?

Becoming more widely known, as I hadn't heard about this prior to this survey

6. How much in advance of a severe weather event do you look for NWS forecast information? Flooding: 1 month Other: depends

7. Where do you get NWS information about imminent extreme weather events, such as flooding and hurricanes? Please check all that apply.

Thank you for participating. Your feedback is valuable.

OMB Control No. 0690-0030
Expiration Date: 07/31/2023

Survey Questions - Pre-Focus Group Session Survey

Public Burden Statement

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0690-0030. Without this approval, we could not conduct this pre-focus group survey. Public reporting for this information collection is estimated to be approximately 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the Nurture Nature Center at: 518 Northampton Street, Easton, PA 18042, Attn: Rachel Hogan Carr, Executive Director, rhogan@nurturenature.org.
