A7. ONE MONTH QUANTITATIVE QUESTIONNAIRE

[Note: The ordering of the sections and sub-sections in the one-month questionnaire isn't chronological because these sections and questions have been labeled to be consistent with the baseline questionnaire. We didn't follow the same flow of the baseline questionnaire because it wasn't appropriate for this follow-up. In electronic form, surveyors will not see these back-end section and question numeric labels]

Thank you for your participation in this follow-up survey. This survey contains seven sections, depending on which arm of the study you are in, and we expect it will take about 25 minutes to complete. If you feel uncomfortable at any point during the survey, let me know, and we can skip that question.

Section 0: HIV self-test kit use

[Only displayed to individuals in the self-testing arms of the trial]

Now I am going to ask you some questions related to HIV self-testing and your experiences with HIV self-testing.

[DIRECT DISTRIBUTION ARM QUESTIONS]

1M0A01. Did your peer educator offer you an HIV self-test?
- Yes
- No
- Prefer not to answer

[Skip to Section 4 if 1M0A01==No]

1M0A02. Did you take the HIV self-test offered by your peer educator?
- Yes
- No
- Prefer not to answer

[Skip to Section 4 if 1M0A02==No]

1M0A03. I don't want to know the results, but did you use the HIV self-test that you were given by your peer educator?
- Yes
- No
- Prefer not to answer

[If response to 1M0A02=="Yes", skip to 1M0A05]

1M0A04. Why did you not use the HIV self-test kit? (*ask participant to describe reasons and check appropriate boxes or write in response if not on the list*)
- I was unsure how to use it
- I did not have time

- I was concerned about confidentiality
- I do not want to know my HIV status
- Other:_____
- Prefer not to answer

1M0A05. What did you do with the HIV self-test given to you by the peer educator?

- It is at my home/in my possession
- Disposed of in the trash
- Gave it to a friend
- Gave to a client
- Gave to a family member
- Gave it to a Queen Mother
- Other:_____
- Prefer not to answer

[Skip to Section 4 if response to 1M0A02==No]

1M0A07. Where did you use the HIV self-test kit?

- At home (where I currently live)
- At my workplace (describe workplace type – bar, brothel, etc)
- At a friend's house
- At my family's house
- Other (describe)

1M0A08. Were you alone when you used HIV self-test kit?

- Yes
- No
- Prefer not to answer

1M0A09. How easy or difficult did you find it to use the HIV self-test kit?

- Very easy
- Easy
- Neither easy nor difficult
- Difficult
- Very difficult
- I prefer not to answer

1M0A10. Did you refer to the instructions provided when using the HIV self-test kit?

- Yes
- No
- Prefer not to answer

[If 1M0A09 == "No", else skip to 1M0A11]

1M0A11. Why did you not use the provided instructions?

- Too complex, didn't understand
- Cannot read

- Remembered steps from peer educator
- Called the study hotline
- Took test with peer educator
- Took test with a friend
- Other: _____
- Prefer not to answer

1M0A12. I don't want to know the result, but were you able to understand the result of the HIV self-test?

- Yes
- No
- Prefer not to answer

1M0A13. Did you ask anyone for help with the use of the HIV self-test or interpretation of the results?

- Yes
- No
- Prefer not to answer

[If 1M0A13=="Yes"; else skip to 1M0A15]

1M0A14. Who did you ask for help interpreting the results? [Check all that apply]

- Peer educator
- Healthcare worker
- HIV counselor
- Fellow sex worker
- Queen Mother
- Non-sex worker friend
- Family member
- Other: _____
- Prefer not to answer

1M0A15. Do you believe the results of this new HIV test that is not blood based, but instead relies on an oral swab?

- Definitely
- Probably
- Maybe
- Probably not
- Definitely not
- Prefer not to answer

1M0A16. Did you tell anyone the result of your test?

- Yes
- No
- Prefer not to answer

[If 1M0A16=="Yes"; else skip to 1M0A18]

1M0A17. Who did you tell about the results of your test? [Check all that apply]

- Peer educator
- Healthcare worker
- HIV counselor
- Fellow sex worker
- Queen Mother
- Non-sex worker friend
- Family member
- Other: _____
- Prefer not to answer

1M0A18. How interested are you in using an oral HIV self-test again in the future?

- Very interested
- Interested
- Unsure
- Uninterested
- Very uninterested
- Prefer not to answer

1M0A19. Would you be willing to pay for an oral HIV self-test if it were available to you?

- Yes
- No
- I don't know/unsure
- Prefer not to answer

[If 1M0A15=="Yes", else skip to 1M Section 3]:

[If study = "ZEST"]

1M0A20. How much would you be willing to pay for an oral HIV self-test?

- <5 Kwacha
- 5-10 Kwacha
- 11-20 Kwacha
- 21-50 Kwacha
- More than 50 Kwacha
- Prefer not to answer

[If study = "HSPOT"]

1M0A20. How much would you be willing to pay for an oral HIV self-test?

- <1000 UGX
- 1000-5000 UGX
- 5000-10000 UGX
- 10000-50000 UGX
- More than 50000 UGX
- Prefer not to answer

[FIXED DISTRIBUTION ARM QUESTIONS]

[Number gap so matches 4 month]

1M0A24. Did your peer educator offer you an HIV self-test coupon?

- Yes
- No
- Prefer not to answer

[If 1M0A24==No, skip to Section 4]

1M0A25. Did you take the HIV self-test coupon you were offered by your peer educator?

- Yes
- No
- Prefer not to answer

1M0A26. Did you collect the HIV self-test from a distribution point?

- Yes
- No
- Prefer not to answer

[If 1M0A26==”No”, ask 1M0A27 & 1M0A28 then skip to Section 4]

1M0A27. Why did you not collect the HIV self-test from the distribution point?

- Didn’t know where to go
- Never received coupon
- Lost coupon
- They had no test kits
- Other:_____

[If study = “ZEST”, else skip to 1M0A29]

1M0A28. What type of facility did you go to collect the HIV self-test kit from?

- Drug store/pharmacist
- Health center
- Prefer not to answer

[If study == “HSPOT”]

1M0A29. What was the name of the facility where you went to collected the test? *List recommended study clinics in study area below*

- Clinic A
- Clinic B
- Clinic C
- Other:_____
- Don’t know
- Prefer not to answer

1M0A30. Why did you select this facility for HIV self-test kit collection?

- Convenience
- Privacy
- Recommendation of peer/other
- Other: _____
- Prefer not to answer

1M0A31. Did the facility have an HIV self-test kit in stock that they were able to give to you?

- Yes
- No
- Prefer not to answer

[If study = "ZEST" & 1M0A21="Drug store/pharmacist", skip to 1M032]

1M0A30. Did you seek any other health services when you went to the health center to pick up your HIV self-test kit?

- Yes
- No
- Prefer not to answer

[If 1M0A26=="Yes", else skip to 1M0A32]

1M0A31. What other health services did you seek while at the health center? *Check all that apply.*

- HIV testing
- Family planning
- STD testing
- ART
- Other: _____
- Prefer not to answer

1M0A32. I don't want to know the results, but did you use the HIV self-test that you collected?

- Yes
- No
- Prefer not to answer

[If 1M0A32=="No", skip to 1M0A03 – 1M0A04]

[If 1M0A32=="Yes", skip to 1M0A05 – 1M0A16]

Section 4: HIV, HIV testing

In the first section, I would like to ask you some questions specifically related to HIV.

aa. ***Recent HIV testing***

First I would like to ask you some question questions related to your recent experiences with HIV testing.

1M4AA01. When was your last HIV test?

- In the last month
- 2 to 3 months ago
- 3 to 6 months ago
- 6 to 12 months ago
- More than a year ago
- I have never had an HIV test
- Prefer not to answer

[If 1M4AA01=="I have never had an HIV test", skip to 1M Section 5B]

1M1AA02. Where was the test done?

- Public sector
- Private medical sector
- Home
- Workplace
- Self-test
- Other
- Prefer not to answer

[If 1M1AA02=="Self-test", skip to 1M1AA05]

[If 1M1AA02=="Public sector" or "Private medical sector", else skip to 1M1AA06]

1M1AA03. What was the name of the clinic where you got the test? *List recommended study clinics below*

- Clinic A
- Clinic B
- Clinic C
- Other: _____
- Don't know
- Prefer not to answer

1M1AA04. When you went to test for HIV, did you bring the referral card provided to you by the study?

- Yes
- No
- Prefer not to answer_____

[If 1M1AA04=="No", else skip to 1M1AA06]

1M1AA05. Why did you not bring the referral card provided to you by the study? *Check all that apply*

- What card?
- Lost card
- Forgot card
- Never received card
- Other:_____
- Prefer not to answer

1M1AA06. When you went to test for HIV, did you disclose that you are a sex worker?

- Yes
- No
- Prefer not to answer_____

1M1AA07. Did you get the result of your HIV test?

- Yes
- No
- Unsure
- Prefer not to answer

1M1AA08. What was the result of your last HIV test?

- Positive
- Negative
- Unsure
- Inconclusive
- Prefer not to answer

[If 1M1AA08==”Negative” or “Unsure”, skip to Section 2=5B]

[If 1M1AA02==”Self-test”, ask 1M1AA09; else skip to 1M1AA12]

1M1AA09. Following your positive HIV self-test result, did you get a confirmatory test?

- Yes
- No
- Unsure
- Prefer not to answer

1M1AA10. When did you first learn you had HIV infection?

- Within the past month
- Within the past 3 months
- Between 3 and 6 months ago
- Between 1 and 2 years ago
- More than 2 years ago
- Unsure
- Prefer not to answer

1M1AA11. After your last positive test, did you seek medical care for your HIV?

- Yes
- No
- Prefer not to answer

[If 1M1AA11==”Yes”, ask 1M1AA010; else skip to 1M1AA14]

1M1AA12. Where did you seek care for HIV?

- Public hospital
- Private clinic

- Community center
- Faith-based hospital
- Traditional healer
- Other:_____
- Prefer not to answer

1M1AA13. Why did you not seek medical care for HIV? (*ask participant to describe reasons and check appropriate boxes or write in response if not on the list*)

- No time to go to clinic
- Distance to the clinic
- Feel unwelcomed at clinics
- Have an alternative way to treat HIV
- Still planning to seek medical care
- I do not feel sick
- I do not need care
- Other:_____
- Prefer not to answer

1M1AA14. Are you currently receiving medical care for your HIV?

- Yes
- No
- Prefer not to answer

1M1AA15. Are you currently taking antiretroviral medicine (ARVs) for your HIV?

- Yes
- No
- Prefer not to answer

1M1AA16. Are you currently taking traditional medicines for your HIV?

- Yes
- No
- Prefer not to answer

a. HIV priors/risk perception

For these next questions I want to know how likely you think it is that an event will happen. We are going to use a ladder again to represent how likely you think each event is. The bottom rung of the ladder represents something that is very unlikely to happen (for example: the chance a lion rides a bicycle through Kampala). The top rung of the ladder represents something that will happen with certainty (for example: the chance the sun is going to set this evening). The middle stop represents something that is equally likely to happen and not happen (like flipping a coin). Do you have any questions about the ladder?

[Testing ladder understanding] Where would you put on the ladder the chance it will snow in Kampala tomorrow? *Verify she puts this on the bottom rung of the ladder – if not, re-explain.*

1M4A01. How likely is it that you currently have HIV?

- Ladder step:____
- Prefer not to answer

1M4A02. How likely is it that you will contract HIV in the next year?

- Ladder step:____
- Prefer not to answer

1M4A03. If a HIV negative woman has vaginal sex once with an HIV positive man and they do not use a condom, how likely is that woman to contract HIV?

- Ladder step:____
- Prefer not to answer

1M4A04. What are ways you can reduce your risk of contracting HIV? *Don't read answers, ask participant to list ways, check all that apply*

- Use condoms
- Select HIV negative partners
- Reduce number of partners
- Other: _____
- Prefer not to answer

1M4A05. How likely are you take actions that reduce your risk of contracting HIV?

- Very likely
- Somewhat likely
- Unlikely
- Very unlikely
- Prefer not to answer

1M4A06. For every 10 female sex workers in Kampala, how many of them do you think are currently living with HIV?

- Number: _____
- Prefer not to answer

1M4A07. For every 10 clients of female sex workers in Kampala, how many of them do you think are currently living with HIV?

- Number: _____
- Prefer not to answer

c. HIV knowledge status

For these next few questions, I want you to think about your behavior over the last month.

1M4C01. In the last month, how often did you ask a client to share their HIV status with you before engaging in sex?

- Never
- Seldom
- Sometimes
- Often
- Always
- Prefer not to answer

1M4C02. In the last month, how often did you share your HIV status with a client you before engaging in sex?

- Never
- Seldom
- Sometimes
- Often
- Always
- Don't know status
- Prefer not to answer

1M4C03. Thinking about the last client you had vaginal sex with, did knowledge of your partner's HIV status factor into your decision to use a condom?

- Yes
- No
- Don't know client's HIV status
- Prefer not to answer

1M4C04. Thinking about the last client you had vaginal sex with, did knowledge of your own or HIV status factor into your decision to use a condom?

- Yes
- No
- Prefer not to answer

Section 5B: Physical and Behavioral Health, Access to Healthcare

Please indicate whether you agree or disagree with the following statements:

[Skipped 4M5B01-B05 to make consistent with four-month]

b. Access to healthcare

1M5B04. I feel comfortable speaking with my medical care providers about working in sex work

- Agree
- Disagree
- Prefer not to answer

1M5B05. I feel that my medical care providers judge me for working in sex work

- Agree
- Disagree
- Prefer not to answer

Section 2: Professional Information, including Sexual Behavior with Clients

In this section, I am going to ask you some questions about your work and your sexual behaviors with paying partners.

b. Sexual behaviors with clients/while working

1M2B02. In the last month, how often have condoms been available to you when you are working?

- Never
- Seldom
- Sometimes
- Often
- Always
- Prefer not to answer

1M2B13. On an average night, how many sexual clients do you think other sex workers in [Kapiri/Chirundu/Livingstone/Kampala] have?

- _____ clients
- Prefer not to answer

1M2B14. On an average night when you are working, how many sexual clients do you have?

- _____ clients
- Prefer not to answer

1M2B15. Of there [1M2B14] clients, on an average night, with how many sexual clients do you use a condom?

- _____ clients
- Prefer not to answer

Section 3: Non-Commercial Sexual Behavior and Reproductive Health

In this section, I am going to ask you some questions about sexual behaviors with non-paying partners.

c. Primary partnership

1M3C01. Do you have a primary or main sexual partner who is not a client (e.g. a husband or boyfriend)?

- Yes
- No
- Prefer not to answer

1M3C02. [If yes to 1M3C01] In the last month, how often do you use a condom with this partner for vaginal or anal sex?

- Never
- Seldom
- Sometimes
- Often
- Always
- Prefer not to answer

1M3C04. Thinking about the last month, how many sexual partners did you have that are not clients?

- _____ partners
- Prefer not to answer

[If 1M3C04==0, skip to Section 1M3D01]

1M3C05. Of these [1M3C04] partners, how many did you ever use condoms with in the last month?

- _____ partners
- Prefer not to answer

d. Impact of study on sexual relations

1M3D01. Have you changed your selection of sexual partners (both clients and casual) as a result of your interactions with your peer educator?

- Yes
- No
- Prefer not to answer

1M3D02. Have you changed your use of condoms as a result of your interactions with your peer educator?

- Yes
- No
- Prefer not to answer

[If arm = “Fixed Distribution” or “Direct Distribution”, else skip to 1M Section 5A]

[If 1M0A02==”Yes” | 1M0A26==”Yes”]

1M3D03. Have you changed your selection of sexual partners (both clients and casual) as a result of your oral HIV self-test result?

- Yes
- No

- Prefer not to answer

1M3D04. Have you changed your use of condoms as a result of your oral HIV self-test result?
- Yes
- No
- Prefer not to answer

[If 1M8A03 = "Yes", else skip to 1M Section 5A]

1M3D05. Have you told any of your clients the result of your oral HIV self-test?
- Yes
- No
- Prefer not to answer

1M3D06. Have you told any of your non-client sexual partners the result of your oral HIV self-test?
- Yes
- No
- Prefer not to answer

Section 5A: Physical and Behavioral Health, Access to Healthcare

a. Intimate partner violence

Now I am going to ask you some questions about violence and abuse.

1M5A07. In the past month, has a sexual partner ever hit slapped, punched, pushed, shoved or don't anything else to physically hurt you as a result of participating in this study?
- Yes
- No
- Prefer not to answer

1M5A09. In the past month, has a sexual partner ever physically forced you to have sex when you did not want to?
- Yes
- No
- Prefer not to answer

1M5A11. In the past 12 months, have you had sex when you did not want to, because you were afraid of what your partner would do if you refused?
- Yes
- No
- Prefer not to answer

1M5A13. In the past month, has a sexual partner ever verbally or emotionally abused you as a result of participating in this study?
- Yes
- No

- Prefer not to answer

[If arm = "Fixed Distribution" or "Direct Distribution", else skip to 1M Section 6]

[If Yes to 1M5A07, 1M5A09, 1M5A11, or 1M5A13, loop through for each "yes" answer]:

1M5A14. Was this related to your use of an oral HIV self-test?

- Yes
- No
- Prefer not to answer

Section 6: Psychosocial Health

In this section I would like to ask you questions about your beliefs and feelings.

a. Fatalism

Now I am going to read you a number of statements about yourself. After each statement I want you to tell me whether you "strongly disagree", "disagree", "agree" or "strongly agree."

Question	*Strong disagree*	*Disagree*	*Agree*	*Strongly agree*	*Prefer not to answer*
Predetermination					
1M6A01. "If someone is meant to get HIV, it doesn't matter what precautions they take, they will get HIV anyways"	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
1M6A02. "How long I live is predetermined"	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
Luck					
1M6A03. "I will get HIV if I am unlucky"	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
1M6A04. "My health is a matter of luck"	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
Pessimism					
1M6A05. "Everything that goes wrong for me does"	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
1M6A06. "There is really no way I can solve some the problems I have"	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5

(Select questions, modified for HIV, from: Shen L, Condit C, Wright L. The Psychometric Property and Validation of a Fatalism Scale. *Psychol Health* 2009 June; 24(5): 597-613)

b. Personal preferences

1M6B01. **[AVOIDANCE]** When I feel scared or worried about something I try to avoid it. (SOURCE: Whiteside, 2013)

- Strongly disagree
- Disagree
- Agree
- Strongly agree
- Prefer not to answer

1M6B02. **[TRUST]** "I assume that people have only the best intentions."

- Strongly disagree
- Disagree
- Agree
- Strongly agree
- Prefer not to answer

1M6B03. **[POSITIVE RECIPROCITY]** When someone does me a favor I am willing to return it.

- Strongly disagree
- Disagree
- Agree
- Strongly agree
- Prefer not to answer

1M6B04. **[NEGATIVE RECIPROCITY]** If I am treated unjustly, I will take revenge at the first occasion, even if there is a cost to do so.

- Strongly disagree
- Disagree
- Agree
- Strongly agree
- Prefer not to answer

The next set of statements are going to ask about your willingness to do different things. After each statement I want you to tell me whether you are "strongly unwilling", "somewhat unwilling", "somewhat willing" or "strongly agree."

1M6B05. **[NEGATIVE RECIPROCITY]** How willing are you to punish someone who treats you unfairly, even if there may be costs for you?

- Very unwilling
- Somewhat unwilling
- Somewhat willing
- Very willing
- Prefer not to answer

1M6B06. **[NEGATIVE RECIPROCITY]** How willing are you to punish someone who treats others unfairly, even if there may be costs for you?

- Very unwilling

- Somewhat unwilling
- Somewhat willing
- Very willing
- Prefer not to answer

1M6B07. **[RISK TAKING]** Please tell me, in general, how willing or unwilling you are to take risks.

- Very unwilling
- Somewhat unwilling
- Somewhat willing
- Very willing
- Prefer not to answer

1M6B08. **[TIME DISCOUNTING]** How willing are you to give up something that is beneficial for you today in order to benefit more from that in the future?

- Very unwilling
- Somewhat unwilling
- Somewhat willing
- Very willing
- Prefer not to answer

1M6B09. **[ALTRUISM]** How willing are you to give to good causes without expecting anything in return?

- Very unwilling
- Somewhat unwilling
- Somewhat willing
- Very willing
- Prefer not to answer

(Modified the streamline module from: Armin Falk, Anke Becker, Thomas Dohmen, David Huffman, and Uwe Sunde (2016), The Preference Survey Module: A Validated Instrument for Measuring Risk, Time, and Social Preferences, IZA Discussion Paper No. 9674)

c. General Self-Efficacy Scale (GSE)

Now I am going to read you a number of statements about yourself. After each statement I want you to tell me if you think the statement is "false", "somewhat false", "somewhat true", or "true."

Question	*False*	*Somewhat false*	*Somewhat true*	*True*	*Prefer not to answer*
1M6C01. "I can always manage to solve difficult problems if I try hard enough."	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
1M6C02. "If someone opposes me, I can find the means and ways to get what I want."	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
1M6C03. "It is easy for me to stick to my aims and accomplish my goals."	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5

1M6C04. "I am confident that I could deal efficiently with unexpected events."	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
1M6C05. "Thanks to my resourcefulness, I know how to handle unforeseen situations."	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
1M6C06. "I can solve most problems if I invest the necessary effort."	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
1M6C07. "I can remain calm when facing difficulties because I can rely on my coping abilities"	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
1M6C08. "When I am confronted with a problem, I can usually find several solutions."	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
1M6C09. "If I am in trouble, I can usually think of a solution."	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
1M6C10. "I can usually handle whatever comes my way."	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5

(Source: Schwarzer R, Jerusalem M (1995). Generalized Self-Efficacy scale. In J. Weinman, S. Wright, & M. Johnston, *Measures in health psychology: A user's portfolio. Causal and control beliefs* (pp. 35-37). Windsor, UK: NFER-NELSON).

d. Empowerment [Beattie et al, AJPH]

Now I would like to ask you some questions about how you feel about yourself and about other people.

1M6D01. "I feel a strong sense of unity with sex workers I work with"

- Strongly agree
- Somewhat agree
- Somewhat disagree
- Strongly disagree
- Prefer not to answer

1M6D02. "I feel a strong sense of unity with sex workers I do not know"

- Strongly agree
- Somewhat agree
- Somewhat disagree
- Strongly disagree
- Prefer not to answer

1M6D03. "In the past 12 months, I have stood up to someone to help a fellow sex worker"

- Yes
- No
- Not sure
- Prefer not to answer

1M6D04. In the past year, have you attended any public events where you could be identified as a sex worker?

- Yes
- No
- Not sure
- Prefer not to answer

1M6D05. In the past month, was there a time when you wanted to use a condom during sexual intercourse with a client but did not use it?

- Yes
- No
- Not sure
- Prefer not to answer

Section 8: Utilization of study services

a. Peer educators

1M8A01. Did you meet with your peer educator in the past month?

- Yes
- No
- Prefer not to answer

1M8A02. How many times did you meet with your peer educator?

- _____ times
- Prefer not to answer

1M8A03. Did your peer educator give you condoms when you met with them?

- Yes, every time
- Yes, some of the time
- No
- Prefer not to answer

1M8A04. In the past month, was there a time you contacted your peer educator for support, to answer a question, or for any other reason outside of a scheduled visit?

- Yes
- No
- Not sure
- Prefer not to answer

[If 1M8A04=="Yes", else skip to 1M8A06]:

1M8A05. What did you contact the peer educator for?

- To get condoms
- For help accessing HIV testing
- For help on how to use the HIV self-test kit
- For help interpreting the HIV self-test kit results
- For help with accessing healthcare unrelated to HIV testing
- For help with violence or interaction with clients
- Other:_____
- Prefer not to answer

1M8A06. How would you rate the support you receive from your peer educator?

- Very useful
- Useful
- Somewhat useful
- Not useful at all
- Prefer not to answer

b. Hotline utilization

1M8B01. In the past month, was there a time you contacted the study hotline for support, to answer a question, or for any other reason outside of a scheduled visit?

- Yes
- No
- Not sure
- Prefer not to answer

[If 1M8A01==”Yes”, else skip to Section 9]:

1M8B02. What did you call the study hotline for?

- For help accessing HIV testing
- For help on how to use the HIV self-test kit
- For help interpreting the HIV self-test kit results
- For help with accessing healthcare unrelated to HIV testing
- For help with violence or interaction with clients
- Other:_____
- Prefer not to answer

1M8B03. How would you rate the support you receive from the hotline?

- Very useful
- Useful
- Somewhat useful
- Not useful at all
- Prefer not to answer

Section 9: Pre-exposure prophylaxis

A new method for preventing HIV is called pre-exposure prophylaxis, or PrEP. PrEP is a daily pill taken by mouth for people who do not have HIV but who are at risk of getting it to prevent HIV infection. When taken consistently, PrEP has been shown to reduce the risk of HIV infection in people who are at high risk.

1M9A01. Prior to today, had you ever heard of pre-exposure prophylaxis (PrEP), or a daily pill to prevent HIV infection?

- Yes
- No
- I don't know
- Prefer not to answer

1M9A02. How interested are you in taking daily PrEP to prevent HIV infection?

- Very interested
- Somewhat interested
- Neutral
- Somewhat uninterested
- Very uninterested
- I don't know
- Prefer not to answer

1M9A03. How difficult do you think it would be to take daily PrEP every single day?

- Very difficult
- Somewhat difficult
- Neither difficult nor easy
- Somewhat easy
- Very easy
- I don't know
- Prefer not to answer

Another form of PrEP that is currently being tested is an injection, or a shot, every 3 months. Instead of taking a pill by mouth every day, studies are underway to determine if having a shot every three months will offer protection against HIV.

1M9A04. If found to be effective, how interested would you be in taking INJECTABLE PrEP?

- Very interested
- Somewhat interested
- Neutral
- Somewhat uninterested
- Very uninterested
- I don't know
- Prefer not to answer

Another form of PrEP that is currently being tested is a gel (like a lubricant) that you insert into your vagina. Instead of taking a pill by mouth every day, studies are underway to determine if using a gel inserted in the vagina prior to sex will offer protection against HIV.

1M9A05. If found to be effective, how interested would you be in taking PrEP as a vaginal gel?

- Very interested
- Somewhat interested
- Neutral
- Somewhat uninterested
- Very uninterested
- I don't know
- Prefer not to answer

Another form of PrEP that is currently being tested is a ring that you insert into your vagina that lasts for 4 weeks (1 month). Instead of taking a pill by mouth every day, studies are underway to determine if using a ring inserted into the vagina will offer protection against HIV.

1M9A06. If found to be effective, how interested would you be in taking PrEP as a vaginal ring?

- Very interested
- Somewhat interested
- Neutral
- Somewhat uninterested
- Very uninterested
- I don't know
- Prefer not to answer

1M9A07. Please rate your preferred method of taking PrEP, with 1 being the MOST and 4 being LEAST preferred method.

___ A daily oral pill
___ Quarterly (every 3 months) injection/shot
___ A gel (like a lubricant) that you insert into your vagina
___ A ring that you insert into your vagina that lasts for 1 month

1M9A08. Individuals who are taking PrEP should be tested for HIV every three months. How willing would you be to be tested for HIV every three months?

- Very willing
- Willing
- Neutral
- Unwilling
- Very unwilling
- I don't know
- Prefer not to answer

1M9A09. How interested would you be in using an HIV self-test every 3 months if you were taking PrEP?

- Very interested
- Somewhat interested
- Neutral
- Somewhat uninterested
- Very uninterested
- I don't know

- Prefer not to answer

1M9A10. If you had a choice, would you prefer standard HIV testing at a clinic or hospital or HIV self-testing?

- Standard HIV testing
- HIV self-testing
- Prefer not to answer
