Readme File for YSI Database Volume 2

List of files contained in Volume 2:

"YSI Database Volume 2" – Excel spreadsheet containing the YSI's of all compounds in the unified scale. To minimize possible confusion this file only contains the new unified YSI's and not the original YSI's.

"Detailed YSI Database Volume 2" – Excel spreadsheet containing more detailed information on how the data in Volume 2 relates to Volume 1. It includes both the original and new YSI values, and notes on other changes.

"YSI Primer" – pdf file providing background on YSI and a bibliography of relevant references

"Readme" – this file
