By joining this initiative, we reaffirm our commitment to the 10 principles of the UNGD, which cover key areas of corporate responsibility:

🔷 Human Rights

1 Business should support and respect the protection of international human rights.

2 Business should not be complicit in human rights abuses.

🔷 Labour relations

3 Business must support freedom of association and the recognition of the right to collective bargaining.

4 Eliminate all forms of forced and compulsory labour.

5 Promote the elimination of child labour.

6 Eliminate discrimination in labour and employment.

🔷 Environmental protection

7 Businesses should take a precautionary approach to environmental issues.

8 Adopt initiatives to increase environmental responsibility.

9 Promote the development and dissemination of environmentally friendly technologies.

🔷 Fighting corruption

🔟 Businesses should oppose all forms of corruption, including extortion and bribery.

SYUCAI TRAINING INSTITUTE is proud to be part of the global movement for responsible business and sustainable development. We endeavour to integrate these principles into our operations and make positive changes in society!

🌱 Thank you to our partners and customers for your support! Onwards to a sustainable future!
