Readme:

Data and replication code for Barnes, Tiffany D. & Mirya R. Holman. “Gender Quotas, Women's Representation, and Legislative Diversity”

Files:

Barnes&HolmanJOPReplication.do: replication code for use in Stata to produce tables and figures for paper and appendix. You much change the working directory at the beginning of the file.

Barnes&HolmanJOPReplication.dta: original data constructed by the authors from the Directorio Legislativo

Codebook: Lists all the variables in the dataset and their value and construction
