Task	EPROJ (v211123)
Duration (s)	617 (plus 10s of reference scans for multi echo, as 'Stay very still' screen shown)
Volume #	617 (12 T1 stabilization, 605 usable, all 617 images saved)
TR (s)	1.00
Stimuli	Questions targeting 10 categories of interest: (1) PAST SELF (2) FUTURE SELF / NONMORAL DECISION (3) PRESENT SELF (4) PAST NONSELF (5) FUTURE NONSELF (6) PRESENT NONSELF (7) SPACE (8) MORAL JUDGMENT (9) MORAL DECISION (10) NONMORAL JUDGMENT
Stimuli manipulations	Text is left justified and each potential response is listed next to a number that corresponds to a finger press with one of three fingers on left hand.
Task requirements	Participants are instructed to read a 3-4 line question and 3 potential responses and choose the best response (by pressing a button), taking care to consider each option.
# of runs	10, each featuring 30 questions
Stimuli Creation	Questions for categories (1-6) in "Stimuli" above were adapted from those provided by J. Andrews-Hanna (esp. 2,3,5,6) or brainstormed by Buckner Lab members. Questions for categories (7-10) were adapted from Clifford et al. 2015 (esp. 8,9) or brainstormed by Buckner Lab members.
Possibility of more runs?	Yes, by generating more stimuli.
Design	Each question was presented for 10s, followed by a 10s ISI. Each run included 30 Q+R (question and response), with the exact trial ordering shown below (see "Order" below for full breakdown). **<u>Example Timing: EPROJ1</u>** [12s (+)] : 5s (+) [10s (Q1+R), 10s(+)], [10s (Q2+R), 10s(+)], [10s (Q3+R), 10s(+)], [10s (Q4+R), 10s(+)], [10s (Q5+R), 10s(+)], [10s (Q6+R), 10s(+)], [10s (Q7+R), 10s(+)], [10s (Q8+R), 10s(+)], [10s (Q9+R), 10s(+)], [10s (Q10+R), 10s(+)], [10s (Q11+R), 10s(+)], [10s (Q12+R), 10s(+)], [10s (Q13+R), 10s(+)], [10s (Q14+R), 10s(+)], [10s (Q15+R), 10s(+)], [10s (Q16+R), 10s(+)], [10s (Q17+R), 10s(+)], [10s (Q18+R), 10s(+)], [10s (Q19+R), 10s(+)], [10s (Q20+R), 10s(+)], [10s (Q21+R), 10s(+)], [10s (Q22+R), 10s(+)], [10s (Q23+R), 10s(+)], [10s (Q24+R), 10s(+)], [10s (Q25+R), 10s(+)], [10s (Q26+R), 10s(+)], [10s (Q27+R), 10s(+)], [10s (Q28+R), 10s(+)], [10s (Q29+R), 10s(+)], [10s (Q30+R), 10s(+)]
Trials/Block/Run	30 questions per run (3 per condition) x 10 runs = 300 questions, 30 per condition
Trial timing	10s Q+R, followed by 10s fixation crosshair ISI = 20s ITI
Counterbalancing	Conditions were randomly assigned to a number 1-10 and counterbalanced so that each condition appears 3 times per 30-question run, and each condition appears once per question position (1-30) across runs (see "Order" below).
Goal	Differentiate activity within DN-A vs. DN-B. Explore component processes associated with tasks across conditions that require varying strategies. (Strategy usage collected separately from online participants.)
Other Notes	EPROJ was adapted from a task used by Andrews-Hanna et al. (2010) *Neuron*.

EPROJ1

Time_Start(s)	Condition	Q	Question
5	decision_moral	1	Envision you are filing taxes and consider using a simple and illegal loophole to lower costs. Do you: (1) use the loophole (2) ignore it (3) something else
25	past_self	2	Think about where you were and what you ate during your most recent meal. Were you eating: (1) at home (2) at a restaurant (3) somewhere else
45	judgment_moral	3	Envision that Tim was watching a friend's dog and accidentally fed it something toxic, leading the dog to die. Tim is: (1) very blameworthy (2) somewhat blameworthy (3) not blameworthy
65	future_nonself	4	Assess the number of flights arriving at Boston Logan Airport tomorrow. Most of these flights will likely come from: (1) the US (2) Europe (3) another place
85	past_nonself	5	Consider how the world's tallest building changed in the mid-twentieth century. The world's tallest building in 1960 was the: (1) Eiffel Tower (2) Empire State Building (3) Chrysler Building
105	space	6	Consider the layout of the room and your place within it at the present moment. Are you nearest: (1) the center of the room (2) the front (3) the side
125	present_nonself	7	Ponder over the current size and geography of the world's oceans. Which ocean is the deepest: (1) the Atlantic Ocean (2) the Pacific Ocean (3) the Indian Ocean
145	present_self	8	Assess the status of your mood and how positive you feel at the present time. Are you in: (1) a very happy mood (2) a somewhat happy mood (3) an unhappy mood
165	future_self	9	Consider the events associated with the next time you eat out at a restaurant. Will you be eating: (1) by yourself (2) with a friend (3) with a group
185	judgment_nonmoral	10	Imagine that Jill goes to work but forgets important documents at home that her boss needs. Jill feels: (1) mostly embarrassed (2) mostly frustrated (3) something else
205	judgment_moral	11	Imagine you see someone purposely put something recyclable in the trash. This behavior is: (1) morally wrong (2) morally right (3) neither
225	past_nonself	12	Contemplate the most popular styles of music twenty years ago. Which type of music had the highest sales: (1) Rock 'n Roll (2) Hip Hop (3) something else
245	space	13	Envision how physically close you are to other people at the current moment. Are you most likely: (1) within ten feet (2) within thirty feet (3) over thirty feet away
265	present_self	14	Think about how tired you feel at the present moment. Would you describe yourself as: (1) extremely tired (2) somewhat tired (3) not at all tired
285	future_self	15	Imagine that you have decided to take a day trip next weekend by yourself. Do you envision yourself traveling to: (1) a city (2) a small town (3) somewhere else
305	decision_moral	16	Picture that you are watching TV and see an emotional ad for a nonprofit fundraiser. Are you: (1) very likely to donate (2) somewhat likely (3) unlikely
325	judgment_nonmoral	17	Imagine that Cathy studies hard in the days leading up to a big test, but she still fails. Should she have: (1) studied harder (2) studied as much (3) something else
345	future_nonself	18	The weather in London, England will be reported next week. Is the weather likely to be: (1) sunny (2) cloudy (3) rainy
365	present_nonself	19	Contemplate the pop music at the top of the charts at the present time. Which of these musicians is leading the other two: (1) Dua Lipa (2) Ed Sheeran (3) The Weeknd
385	past_self	20	Assess the activity you chose the last time you purposefully exercised. Would you characterize the activity as: (1) high intensity (2) moderate intensity (3) low intensity
405	present_self	21	Think about the major issues you are facing in your life at this moment. Which of these issues concerns you most: (1) health (2) education (3) finance
425	judgment_moral	22	Consider that Ashley helps an old man carry groceries home from the train. Ashley's actions are: (1) morally right (2) morally wrong (3) unsure
445	judgment_nonmoral	23	Picture that Bill arrived late to work and missed an important meeting because he forgot to set his alarm. Being late was: (1) definitely Bill's fault (2) somewhat his fault (3) not his fault
465	future_self	24	Envision that you are preparing a dish for a potluck dinner next weekend. Do you think you will prepare: (1) an appetizer (2) a main course (3) something else
485	present_nonself	25	Contemplate the number of websites that exist at the present moment. Which of the following is currently the most popular: (1) Google (2) YouTube (3) Facebook
505	space	26	Imagine how physically far you are from a specific place that you like at the present moment. Is this place reachable: (1) by plane (2) by car (3) by foot
525	future_nonself	27	Contemplate the varieties of children's toys to be sold in the upcoming year. The most popular will likely be: (1) video games (2) board games (3) something else
545	past_self	28	Ponder over the last time you went on a trip outside of the Boston area. Did you go away for: (1) one day (2) a few days (3) longer
565	decision_moral	29	Imagine waiting on a to-go food order when an identical order becomes ready for someone who has not arrived. Do you: (1) grab that order (2) ask to take it (3) keep waiting
585	past_nonself	30	Consider the number of active Facebook users at the end of 2016. Was the number of users closest to: (1) one million (2) one billion (3) one trillion

EPROJ2

Time_Start(s)	Condition	Q	Question
5	judgment_nonmoral	31	Think about a professor currently working alone in an office within their home. Are they likely feeling: (1) content (2) stressed (3) something else
25	decision_moral	32	Suppose you are running late for a meeting but see an older lady who needs help crossing a street. Will you: (1) help her (2) ignore her (3) something else
45	past_self	33	Reflect upon your experience trying to fall asleep last night. Were you able to fall asleep: (1) easily without effort (2) with some effort (3) with a lot of effort
65	judgment_moral	34	Assess how considerate your boss or teachers are at the present time. Would you describe them as: (1) very considerate (2) kind of considerate (3) not considerate
85	future_nonself	35	Think about the next time the winter Olympics are scheduled to take place. Which country will host: (1) China (2) South Korea (3) Italy
105	past_nonself	36	Think about popular cartoon characters over the past century. Which of the following celebrated a fortieth birthday in 1990: (1) Charlie Brown (2) Bugs Bunny (3) Mickey Mouse
125	space	37	Think about the easiest path to a bathroom from your current location. Does this path include: (1) two doors (2) three doors (3) four doors
145	present_nonself	38	Contemplate the diversity of religions in China at the present time. A widely supported religion is: (1) Christianity (2) Buddhism (3) Hinduism
165	present_self	39	Reflect upon your relationships with your family members at the present time. Would you describe yourself as: (1) very close to family (2) somewhat close (3) not close at all
185	future_self	40	Speculate about the next time you go to a beach with a specific friend. On the beach, will you primarily: (1) sit in a chair (2) go in the water (3) do something else
205	past_self	41	Contemplate details of your discussion during the last phone call that you made. Who had you called: (1) a family member (2) a friend (3) someone else
225	judgment_moral	42	Consider how trustworthy your closest friends are. Would you describe them as: (1) very trustworthy (2) somewhat trustworthy (3) untrustworthy
245	past_nonself	43	Recall popular TV shows ten years ago. The most popular new series at that time was: (1) Game of Thrones (2) Homeland (3) Black Mirror
265	space	44	Envision a familiar building that is very far away from you at the present moment. Is this place within: (1) a city (2) a town (3) something else
285	present_self	45	Consider the level of stress you are feeling at the present time. Would you describe yourself as: (1) highly stressed (2) mildly stressed (3) not stressed
305	future_self	46	Envision that you arrive home sometime this week and find that your door is locked and you have no key. Do you: (1) call a locksmith (2) use a spare key (3) find another solution
325	decision_moral	47	Consider that you are trying to park when you accidentally hit an adjacent car. Do you: (1) notify the driver (2) flee the scene (3) something else
345	judgment_nonmoral	48	Envision Sarah pulled an all-nighter studying for a test but found out the next day that it was cancelled. Sarah likely feels: (1) frustrated (2) relieved (3) something else
365	future_nonself	49	Envision that stock prices rise three years from now. Which companies will likely have the most drastic rises: (1) Google and Facebook (2) Amazon and Google (3) Alibaba and Amazon
385	present_nonself	50	Consider major cities in the world at the present moment. The city with the largest population is: (1) Shanghai (2) London (3) Tokyo
405	space	51	Consider how far you are from one family member at the present time. About how many miles away are you: (1) dozens (2) hundreds (3) thousands
425	future_nonself	52	Consider the next time a major storm will hit the United States. As the storm approaches, nearby residents will purchase: (1) bread and water (2) movies and games (3) clothes and shoes
445	past_self	53	Think about the last time that you stayed home sick. What activity did you do to pass your time: (1) sleep (2) watch TV (3) something else
465	decision_moral	54	Imagine ordering pizza, and a delivery driver unknowingly gives you $5 extra change. Do you: (1) keep the change (2) give change back (3) something else
485	past_nonself	5	Contemplate fast food sales across the world last week. Which of these chains likely sold most hamburgers: (1) Burger King (2) McDonalds (3) Five Guys
505	present_self	56	Assess your current ability to live truthfully and communicate truthfully with others. Would you describe yourself as: (1) telling only truth (2) mixing truth and untruth (3) telling only untruth
525	judgment_moral	57	Imagine seeing a girl continuously interrupt a teacher during a complicated lesson. The teacher feels: (1) frustrated and annoyed (2) sad and tired (3) indifferent
545	judgment_nonmoral	58	Imagine your friend accidentally breaks his TV during a move and gets very frustrated. Should he have been: (1) more careful (2) as careful (3) less careful
565	future_self	59	Speculate about opening an Internet browser later this evening after you return home. Will you first: (1) check your email (2) go to a social media site (3) do something else
585	present_nonself	60	Reflect upon the cars currently driven around the United States. Which type of car is currently most popular: (1) hybrids (2) sedans (3) trucks

EPROJ3

Time_Start(s)	Condition	Q	Question
5	past_nonself	61	Speculate about which phone company sold the most smartphones in 2016. Which company most likely outsold the other two: (1) Samsung (2) Apple (3) Nokia
25	space	62	Imagine that your typical route home from a grocery store is blocked. Is an alternative route: (1) somewhat shorter (2) roughly the same (3) longer
45	present_nonself	63	Assess the population size in the city of Cambridge, Massachusetts at the present moment. Is the population closest to: (1) fifty thousand (2) one hundred thousand (3) two hundred thousand
65	present_self	64	Contemplate your social status at the present moment. How happy are you with your status within social groups: (1) happy (2) neutral (3) unhappy
85	future_self	65	Contemplate your next birthday, including where you will be in the upcoming year. Are you more likely to have: (1) a small celebration (2) a large celebration (3) no celebration
105	judgment_nonmoral	66	Ponder that Alex gets rejected from his dream school and thinks that he should have worked harder. Is Alex right: (1) probably yes (2) probably no (3) cannot be determined
125	decision_moral	67	Consider being at work, but your favorite sports game is about to start, before your shift is over. Do you: (1) leave early (2) miss the game (3) watch at work
145	past_self	68	Consider a time in the last week when a specific activity helped you feel more relaxed. During this activity, were you: (1) by yourself (2) with friends (3) with other people
165	judgment_moral	69	Reflect upon a parent or caregiver and how patient they are currently. Should they be: (1) more patient (2) as patient (3) less patient
185	future_nonself	70	Contemplate that the US receives heavy rainfall next year. Which states will likely experience the most rain: (1) Hawaii and South Carolina (2) Arkansas and Florida (3) New Mexico and Iowa
205	future_self	71	Consider that you are cleaning your kitchen after you arrive home later today. What do you envision yourself cleaning first: (1) the floor (2) the counter (3) something else
225	decision_moral	72	Ponder that you promised a friend to watch a movie tonight but realize you have an exam tomorrow. Do you: (1) study instead (2) keep our promise (3) split your time
245	judgment_nonmoral	73	Imagine Fred loses his favorite pair of socks and decides to just buy another pair. Should Fred have: (1) looked for the socks (2) bought the other pair (3) something else
265	future_nonself	74	Envision that a famous musician releases a new album next week. The musician is most likely: (1) a hip hop artist (2) a country artist (3) an alternative artist
285	present_nonself	75	Consider that celebrities Ashton Kutcher and Mila Kunis currently have two children. Of these two, how many are sons: (1) neither is a son (2) one is a son (3) both are sons
305	past_self	76	Think about the most recent holiday that you celebrated with friends or family. Was this celebration planned by: (1) you (2) a family member (3) someone else
325	judgment_moral	77	Envision Bob pretended he was sick in order to skip work. Would you say that Bob is: (1) sincere (2) untrustworthy (3) something else
345	past_nonself	78	Consider the Super Bowls that have occurred to date. How many times have the Green Bay Packers won: (1) zero to two times (2) three to five times (3) more than five times
365	space	79	Reflect upon a place you know well, other than your work or home. From that place, a grocery store is: (1) within walking distance (2) within driving distance (3) very far
385	present_self	80	Envision how adventurous your life is at the present moment. How satisfied are you with your current level of adventure: (1) satisfied (2) neutral (3) unsatisfied
405	future_nonself	81	Speculate about popular costume choices next Halloween. Costumes with the highest sales will likely include: (1) clowns and witches (2) pirates and werewolves (3) athletes and goblins
425	past_self	82	Recall the most recent time that you went to a specific store to shop for specific items. Did you buy: (1) groceries (2) clothing (3) something else
445	decision_moral	83	Consider you are at a restaurant and the waiter forgets to charge you for drinks. Do you: (1) notify the waiter (2) say nothing (3) something else
465	past_nonself	84	Ponder over Starbucks' locations and the origins of this coffee chain. When the first store opened, it was located in: (1) Seattle, WA (2) Portland, OR (3) Portland, ME
485	present_self	85	Think about how confident you are at the present time. Would you describe yourself as having: (1) high confidence (2) moderate confidence (3) low confidence
505	judgment_moral	86	Consider you see a teenage boy chuckling when an amputee falls getting on the subway. His behavior is: (1) very bad (2) somewhat bad (3) not bad
525	judgment_nonmoral	87	Ponder a friend falls, breaks their leg, and makes no noise afterwards. Their reaction is: (1) very appropriate (2) somewhat appropriate (3) not appropriate
545	future_self	88	Speculate about the next time you go for a walk. Are you likely to find yourself walking: (1) near your home (2) near shopping stores (3) at some other location
565	present_nonself	89	Envision the planets currently considered part of our solar system. The planets closest to the sun are: (1) Earth and Venus (2) Saturn and Jupiter (3) Mercury and Venus
585	space	90	Think about the angle of your legs at the present moment. Would you describe this angle as: (1) flat (2) tightly pointed (3) somewhere in between

EPROJ4

Time_Start(s)	Condition	Q	Question
5	space	91	Consider, without looking around, the color scheme of the room you currently occupy. Is this room primarily: (1) one color (2) many colors (3) patterned
25	present_nonself	92	Envision the highest elevation in Long Island, New York at the present time. The highest elevation above sea level is closest to: (1) one hundred feet (2) five hundred feet (3) one thousand feet
45	present_self	93	Think about a specific source of stress in your life at the present moment. Would you describe this stressor as most relevant to your: (1) occupation (2) health (3) something else
65	future_self	94	Imagine that, tomorrow evening, you eat your dinner at the usual time. Are you more likely to eat at: (1) your home (2) a restaurant (3) somewhere else
85	judgment_nonmoral	95	Imagine Tim listens to an engrossing podcast while driving home from work and misses his turn. Tim feels: (1) angry and hostile (2) content and calm (3) something else
105	decision_moral	96	Imagine it is raining as you are driving home, and you see a sickly dog near the road. Will you: (1) take the dog (2) call someone (3) keep driving
125	past_self	97	Consider the most recent time that you watched a movie all the way through. Were you watching: (1) at home (2) at a movie theater (3) somewhere else
145	judgment_moral	98	Suppose a high school student misses the curfew her parents set. When her father finds out, he will feel: (1) indifferent (2) disappointed (3) something else
165	future_nonself	99	Contemplate the user base of social media platforms in five years. Which platform will likely have lost the most users: (1) Facebook (2) Instagram (3) TikTok
185	past_nonself	100	Assess the growth of the internet about three decades ago. In 1988, the total number of websites was: (1) zero to ten (2) ten to one hundred (3) over one hundred
205	decision_moral	101	Imagine you and your friend really want to attend a concert, but you can only get one ticket. Do you: (1) give to friend (2) keep it (3) sell it
225	judgment_nonmoral	102	Ponder you see someone reading the end of a novel before reading the beginning. This behavior is: (1) very appropriate (2) somewhat appropriate (3) not appropriate
245	future_nonself	103	Ponder that a new superhero movie comes out next year. The movie will likely be produced by: (1) Netflix (2) Dreamworks (3) Walt Disney
265	present_nonself	104	Assess the auto companies that currently manufacture trucks. Which of these brands has the best-selling truck in the United States: (1) RAM (2) Chevy (3) Ford
285	past_self	105	Think about what you were doing the last time you ran an errand. Were you traveling by: (1) car (2) public transportation (3) something else
305	judgment_moral	106	Imagine Sarah unknowingly feeds her friend something she is severely allergic to, causing her to enter a coma. Is Sarah: (1) very blameworthy (2) slightly blameworthy (3) not blameworthy
325	past_nonself	107	Consider the United States presidents who served in the 1900s. Who was elected in 1961: (1) John F. Kennedy (2) Harry S. Truman (3) Ronald Reagan
345	space	108	Ponder the distance between your body and the nearest door. Could you most likely reach the door within: (1) five steps (2) six to ten steps (3) more than ten
365	present_self	109	Think about how emotional you currently feel. How would you characterize your overall emotionality: (1) negative (2) neutral (3) positive
385	future_self	110	Envision that you are volunteering at a specific event one year from now. Do you expect to be: (1) fundraising (2) organizing the event (3) helping in another way
405	judgment_moral	111	Ponder that a girl laughs at another student who forgot her lines during a school play. The effect on the other student is: (1) negative (2) positive (3) no effect
425	judgment_nonmoral	112	Imagine someone needs to get somewhere a mile away and decides to walk instead of taking a bus. They made: (1) the right choice (2) an okay choice (3) a bad choice
445	future_self	113	Consider that you are at home this weekend and have free time to fill. Do you envision yourself: (1) calling friends (2) reading a book (3) doing something else
465	present_nonself	114	Think about all of the colors on the common color wheel. Which colors are complementary: (1) red and yellow (2) green and purple (3) red and green
485	space	115	Reflect on the smallest object within your reach at the present time. Without moving, is this object: (1) smaller than one inch (2) one to five inches (3) bigger than five inches
505	future_nonself	116	Consider attitudes toward self-driving cars ten years from now. Which country will have the most self-driving cars: (1) USA (2) Japan (3) Germany
525	past_self	117	Consider the last time you interacted with your closest friend. During the interaction, did you communicate: (1) via text message (2) over the phone (3) in another way
545	decision_moral	118	Envision you are walking near your home, and a stranger ahead of you accidentally drops ten dollars. Will you: (1) return the money (2) keep it (3) leave it
565	past_nonself	119	Reflect upon the attendees of the Grammy Awards in 2016. Album of the Year was awarded to: (1) Ed Sheeran (2) The Weeknd (3) Taylor Swift
585	present_self	120	Consider your relationships with close friends at the present time. How satisfied do you feel with these relationships: (1) very satisfied (2) somewhat satisfied (3) unsatisfied

EPROJ5

Time_Start(s)	Condition	Q	Question
5	past_self	121	Think about the last time you chose to walk to a specific destination. Were you walking: (1) by yourself (2) with a few others (3) with a large group
25	judgment_moral	122	Ponder Adam cancels a blind date when he sees the date arrive. The date will feel: (1) saddened and insecure (2) happy and relieved (3) indifferent and passive
45	future_nonself	123	Imagine that Starbucks goes bankrupt ten years from now. Which coffee company will take over the most sales: (1) Dunkin's (2) Peet's (3) Tim Horton's
65	past_nonself	124	Consider the US economy in 2008. Which governmental entity was not implicated in that financial crisis: (1) Center for Disease Control (2) Internal Revenue Service (3) Federal Reserve
85	space	125	Reflect upon the room you are currently occupying in relation to your bedroom. Would you say the current room is: (1) larger (2) smaller (3) the same size
105	present_nonself	126	Speculate about the handedness of adults in the United States at the present time. What percent of the population is left-handed: (1) five percent (2) ten percent (3) fifteen percent
125	present_self	127	Ponder over how you define your own success at the present moment. Do you feel most successful due to: (1) level of wealth (2) achievements (3) something else
145	future_self	128	Ponder over where you will be tomorrow during lunch. Who will be eating lunch with you: (1) no one (2) your significant other (3) someone else
165	judgment_nonmoral	129	Consider Amy is tired after hosting a family gathering and decides to wash dishes the next day. Should Amy have: (1) washed all the dishes (2) washed some of the dishes (3) left the dishes
185	decision_moral	130	Imagine you promised to watch your friend's dog but remember a party you could attend instead. Do you: (1) stay with the dog (2) attend the party (3) something else
205	past_nonself	131	Consider the colleges founded in the United States over three hundred years ago. Which was founded first: (1) University of Notre Dame (2) Harvard University (3) Yale University
225	space	132	Consider the nearest people to you at the present moment. How many total people are near you: (1) up to three (2) four to five (3) more than five
245	present_self	133	Reflect upon how sad you feel at the present time. Do you believe that you should feel: (1) more sad than you are (2) less sad than you are (3) as sad as you are
265	future_self	134	Envision that you are in a specific exercise class next week. Is the class most likely: (1) an aerobics class (2) a yoga class (3) another class
285	decision_moral	135	Ponder you are rushing to catch a train when a blind person at the station asks for help. You will likely: (1) help the man (2) ignore him (3) something else
305	judgment_nonmoral	136	Envision Brian spills coffee on his brand new laptop. Brian most likely feels: (1) content (2) frustrated (3) something else
325	future_nonself	137	Speculate about rentable modes of transport one year from now. Which will have the most units: (1) rentable bikes (2) rentable scooters (3) something else
345	present_nonself	138	Think about the households in the United States that currently have pets. Which duo features the most popular pets: (1) snakes and lizards (2) fish and snails (3) dogs and cats
365	past_self	139	Recall specific details associated with the last time you went out to dinner. Did you go out to: (1) celebrate an event (2) gather with friends (3) for another reason
385	judgment_moral	140	Suppose your friend promised to help with a hard task but bailed to watch his favorite sports team. His choice was: (1) very justified (2) somewhat justified (3) not at all justified
405	past_self	141	Reflect back upon the last time that you were in a car or other motor vehicle. Were you: (1) driving (2) in a passenger seat (3) in another seat
425	decision_moral	142	Envision your manager praises you, privately, for something a coworker actually did. Will you: (1) correct them (2) accept the praise (3) something else
445	past_nonself	143	Consider the Beatles' success in America in the 1960s. How many members were in the Beatles from 1962-1970: (1) three members (2) four members (3) five members
465	present_self	144	Consider your feelings about the task that you are currently completing. Would you rather be doing something: (1) more exciting (2) less exciting (3) neither
485	judgment_moral	145	Consider a man is sitting on a crowded bus and refuses to give his seat to a pregnant woman. The man is: (1) very blameworthy (2) somewhat blameworthy (3) not blameworthy
505	judgment_nonmoral	146	Imagine you see someone eat their dessert before the main entrée. Would you consider this: (1) very appropriate (2) inappropriate (3) something else
525	future_self	147	Think about what you will do immediately after completing the experiment today. Will you: (1) go for a walk (2) run errands (3) do something else
545	present_nonself	14	Speculate about the current estimate of the total number of cells in the human body. The estimate is closest to: (1) one million (2) one billion (3) one trillion
565	space	149	Imagine a map of the path from your current location to your home. Does this map cover a: (1) small area (2) moderate area (3) large area
585	future_nonself	150	Imagine that, ten years from now, Apple releases an updated version of a product. Will it likely be: (1) a new phone (2) a new laptop (3) something else

EPROJ6

Time_Start(s)	Condition	Q	Question
5	judgment_moral	151	Consider Alex gets an A on a group project that he barely contributed to. His teammates' anger is: (1) very justified (2) kind of justified (3) not justified
25	future_nonself	152	Think about candy sales in the United States in five years. Which will likely be most popular: (1) chocolate candy (2) hard candy (3) gummy candy
45	past_nonself	153	Envision the ancient Olympic games staged in Greece in 776BC. Which events were featured at the first Olympics: (1) marathon and throwing (2) swimming and rowing (3) jousting and wrestling
65	space	154	Think, without moving your limbs, about the current distance between your hands and your feet. Is this distance closest to: (1) two feet (2) three feet (3) four feet
85	present_nonself	155	Think about traditions associated with Scotland at this time. Which animal is the national animal of Scotland: (1) a bear (2) a unicorn (3) a horse
105	present_self	156	Reflect upon your physical health at the present moment. Compared to the average person, do you believe that you are: (1) more fit (2) about as fit (3) less fit
125	future_self	157	Envision that you are at a specific grocery store tomorrow. Do you think you will use a: (1) shopping cart (2) basket (3) something else
145	judgment_nonmoral	158	Picture a doctor is making their final rounds at the end of a 16-hour shift. They are likely feeling: (1) upset or frustrated (2) happy or relieved (3) something else
165	decision_moral	159	Reflect on being at a grocery store when a cashier accidentally gives you extra change. Do you: (1) return it (2) keep the change (3) donate it
185	past_self	160	Reflect upon your environmental surroundings the last time that you read a book. Were you reading: (1) at home (2) outdoors (3) another place
205	space	161	Consider, without moving, the angle of your body in relation to the closest wall. Are you currently: (1) parallel (2) closer near your head (3) closer near your feet
225	present_self	162	Think about how focused you are on the task at the present moment. Would you describe yourself as: (1) fully focused (2) somewhat focused (3) not focused at all
245	future_self	163	Consider the next trip you will take outside of Massachusetts. Do you suppose that you will go somewhere in: (1) the Northeast (2) the rest of the country (3) somewhere else
265	decision_moral	164	Picture you see a child all alone calling out for their mom in a crowded mall. Do you: (1) ignore them (2) look for mom (3) notify security
285	judgment_nonmoral	165	Imagine you see someone working out at the gym in a formal suit. This choice is: (1) very typical (2) very strange (3) something else
305	future_nonself	166	Think about the phone applications that will be developed next week. A new popular app will likely involve: (1) meditation (2) gaming (3) navigation
325	present_nonself	167	Consider the current distribution of countries located on or near the equator. How many countries does the equator pass through: (1) between one and five (2) between six and ten (3) eleven or more
345	past_self	168	Consider the events associated with the last time you went to downtown Boston. Were you downtown for: (1) something work-related (2) a social activity (3) something else
365	judgment_moral	169	Suppose a friend tells you they lied on a job application about their experience in order to get the job. Your friend was: (1) obligated to be honest (2) not obligated (3) unsure
385	past_nonself	170	Ponder over the establishment of the United States as a nation in the 1700s. In what city was the Declaration of Independence signed: (1) Boston, MA (2) Philadelphia, PA (3) Richmond, VA
405	decision_moral	171	Imagine you are leaving for work when your neighbor asks you for a ride to the hospital. Do you: (1) drive them (2) say no (3) call them a cab
425	past_nonself	172	Envision members of the American Ballet Theater in 2015. Who was promoted to become the first African-American principal ballerina: (1) Julie Kent (2) Misty Copeland (3) Janet Collins
445	present_self	173	Contemplate how determined you feel at the present moment to complete the tasks at hand. Would you describe yourself as: (1) very determined (2) moderately determined (3) not determined at all
465	judgment_moral	174	Ponder that a friend damaged a library book and returned it without the librarian noticing. The friend's actions were: (1) very permissible (2) kind of permissible (3) not permissible
485	judgment_nonmoral	175	Imagine a student gets lost and arrives late on their first day of class. They are most likely feeling: (1) anxious (2) excited (3) something else
505	future_self	176	Speculate about doing an outside activity tomorrow with a specific friend. Are you more likely to: (1) exercise (2) have a picnic (3) do something else
525	present_nonself	177	Assess our current knowledge of the modern human skeleton. Which body parts have the highest combined number of bones: (1) hands and feet (2) heads and spines (3) arms and legs
545	space	178	Think about the placement of your fingers at the present moment. How many fingers are touching buttons: (1) all (2) most (3) a few
565	future_nonself	179	Imagine that Boston's temperatures become unexpectedly cold next month. People visiting Boston will bring: (1) scarves and hats (2) bathing suits (3) shorts and tanks
585	past_self	180	Recall a specific class that you took in high school that you considered difficult at the time. Was the class: (1) a science class (2) a language class (3) something else

EPROJ7

Time_Start(s)	Condition	Q	Question
5	future_nonself	181	Envision that a farmer's market will sell out of two products tomorrow afternoon. Which items will sell out: (1) apples and flowers (2) tomatoes and corn (3) peaches and kale
25	past_nonself	182	Consider the iconic American snacks over the past decade. Which snack went off the market due to Hostess' bankruptcy in 2012: (1) Oreos (2) Twinkies (3) Zebra Cakes
45	space	183	Envision the setting of a favorite show, movie or book. Finding your way within that setting, you would feel: (1) completely lost (2) somewhat comfortable (3) very comfortable
65	present_nonself	184	Consider variations in Earth's geography and climate at the present time. Which continent currently has the most deserts: (1) Africa (2) Australia (3) South America
85	present_self	185	Consider your fields of engagement at the present moment. Do you believe that you are primarily: (1) scientifically talented (2) artistically talented (3) talented in another area
105	future_self	186	Imagine that you are browsing at a specific bookstore two days from now. Do you envision spending your time in: (1) the fiction section (2) the nonfiction section (3) another section
125	judgment_nonmoral	187	Envision Emma realizes that she is out of milk for cereal and decides to use water instead. Emma is: (1) very desperate (2) somewhat desperate (3) not desperate
145	decision_moral	188	Envision waiting on the bus in winter when a homeless person asks you to buy them gloves. Do you: (1) say sorry (2) miss bus, help (3) give money
165	past_self	189	Recall a specific time from your childhood when you felt like you were in trouble. Had you: (1) disobeyed a parent (2) broken a school rule (3) done something else
185	judgment_moral	190	Picture someone is struggling with money, but still donates to the local soup kitchen. To what extent is this morally wrong: (1) very morally wrong (2) slightly morally wrong (3) not morally wrong
205	present_self	191	Think about how creative you feel at the present moment. Would you say you are currently: (1) highly creative (2) moderately creative (3) not creative
225	future_self	192	Contemplate that you are taking a specific class five years from now. What do you envision yourself studying: (1) programming (2) language (3) something else
245	decision_moral	193	Consider you are playing a game of poker and accidentally see someone's cards. Do you: (1) re-deal (2) keep playing (3) something else
265	judgment_nonmoral	194	Envision that a guitar player breaks a string on his favorite instrument. This guitar player is most likely feeling: (1) angry and annoyed (2) indifferent and calm (3) anxious and sad
285	future_nonself	195	Envision the Academy Awards ceremony five years from now. Which movie is most likely to win "Best Picture": (1) a comedy (2) a drama (3) a documentary
305	present_nonself	196	Consider the prevalence of smoking in the United States at this moment. Which states have the highest combined percentage of smokers: (1) Ohio and Kentucky (2) West Virginia and Kentucky (3) Ohio and Iowa
325	past_self	197	Think about a specific time that you saw or interacted with an animal, whether a household pet or other animal. Were you: (1) inside your home (2) outside (3) somewhere else
345	judgment_moral	198	Imagine a teen snickers at a bald man in a hair salon who he does not know has cancer. The teen's actions were: (1) very wrong (2) somewhat wrong (3) not at all wrong
365	past_nonself	199	Reflect upon the most famous works by Shakespeare in the 16th century. Which of these plays was most famous at that time: (1) Romeo and Juliet (2) Macbeth (3) Hamlet
385	space	200	Ponder your relationship with someone you have known awhile. Compared to when you met, you are now physically: (1) farther away (2) equally distant (3) closer
405	past_nonself	201	Consider the members of the European Union over the past few decades. Which pair of countries most recently joined: (1) Croatia and Estonia (2) France and Finland (3) Denmark and Greece
425	present_self	202	Think about the pride you have for your home country right now. How would you describe these feelings: (1) low levels of pride (2) indifferent feelings (3) high levels of pride
445	judgment_moral	203	Envision your friend tells you he found a stranger's wallet and kept the money. His actions are: (1) very condemnable (2) somewhat condemnable (3) not condemnable
465	judgment_nonmoral	204	Consider a lawyer preparing for a case that she has been working on for months. When she wins, she will feel: (1) annoyed and frustrated (2) relieved and accomplished (3) something else
485	future_self	205	Consider that you take a trip out of Boston one year from now. Will you travel: (1) by yourself (2) with friends or family (3) with coworkers
505	present_nonself	206	Think about current understanding of the periodic table. About how many total elements are presently featured: (1) fifty (2) one hundred (3) one hundred fifty
525	space	207	Ponder over the angle at which your feet are tilted at the present moment. Are your feet pointing: (1) toward each other (2) toward a wall (3) in opposite directions
545	future_nonself	208	Ponder over what the weather will be like exactly two months from now. Which temperature is most likely: (1) 30 degrees F (2) 50 degrees F (3) 70 degrees F
565	past_self	209	Consider the last time you were in an elevator. About how many people were in the elevator with you: (1) no others (2) one other (3) two or more others
585	decision_moral	210	Imagine, during an interview, being asked if you have a specific skill that you don't have. Do you: (1) lie to interviewer (2) tell the truth (3) change the subject

EPROJ8

Time_Start(s)	Condition	Q	Question
5	future_self	211	Assess the number of activities on your schedule for this upcoming weekend. Will your schedule on Saturday be: (1) very busy (2) a little busy (3) not busy
25	judgment_nonmoral	212	Imagine that a close friend calls you because they suddenly suffered the loss of their parent. Are they feeling: (1) devastated (2) hostile (3) something else
45	decision_moral	213	Contemplate boarding the last train home when an old man drops a bag of groceries on the platform. Do you: (1) miss train, help (2) board train (3) something else
65	past_self	214	Ponder over the last time you bought a gift for a specific person. Had you purchased the gift for: (1) a friend (2) a family member (3) someone else
85	judgment_moral	215	Assess how generous your friends are at the present time. Would you say they are: (1) very generous (2) kind of generous (3) not at all generous
105	future_nonself	216	Speculate about consumer spending in the next calendar year. The greatest spending will occur for: (1) Halloween (2) Easter (3) Valentine's Day
125	past_nonself	217	Consider popular music in America during the 1980s. Which artist had the highest selling album in that decade: (1) Michael Jackson (2) Pink Floyd (3) Bon Jovi
145	space	218	Envision that you stayed still, but this room moved clockwise 90 degrees. Would the nearest door then be: (1) to your side (2) in front of you (3) behind you
165	present_nonself	219	Consider the current structure of the American government. The US House of Representatives includes how many people: (1) one hundred twenty-six (2) four hundred thirty-five (3) six hundred twenty-two
185	present_self	220	Consider the amount of responsibilities your work is placing on you at the present time. Would you prefer to have: (1) more responsibilities (2) fewer responsibilities (3) the same amount
205	present_nonself	221	Speculate about the abundance of chemical elements on earth at the present time. Which element is most abundant: (1) carbon (2) hydrogen (3) oxygen
225	past_self	222	Envision the last time that you checked a weather report. How did you access the weather information: (1) on a phone (2) on a computer (3) another way
245	judgment_moral	223	Contemplate that a man blocks his wife from leaving home or interacting with others. His wife likely feels: (1) isolated and sad (2) relaxed and happy (3) something else
265	past_nonself	224	Consider the geography of the US in the mid-twentieth century. Which state was not added until 1959: (1) Alaska (2) Hawaii (3) New Mexico
285	space	225	Consider the style of the room you are currently in. Would you describe this room's décor as: (1) rustic (2) modern (3) something else
305	present_self	226	Assess your feelings toward your current wardrobe in comparison to that of your close friends. Do you consider yourself: (1) more fashionable (2) equally fashionable (3) less fashionable
325	future_self	227	Imagine that tomorrow you must complete a task that makes you nervous. Will you complete the task: (1) at work (2) at school (3) elsewhere
345	decision_moral	228	Envision you are sitting on a crowded bus after a long workday when a pregnant woman boards. Do you: (1) give up your seat (2) let her stand (3) something else
365	judgment_nonmoral	229	Ponder that a child did not lock their new bike at the park and the bike was stolen. The child's parent feels: (1) indifferent (2) annoyed (3) furious
385	future_nonself	230	Think about a type of exercise that will be trendy two years from now. This exercise will likely include: (1) running and biking (2) yoga and Pilates (3) dancing and weights
405	present_nonself	231	Assess current fruit consumption in the United States. Which fruit pair is most expensive (when priced by weight): (1) blackberries and apples (2) mango and watermelon (3) nectarines and peaches
425	space	232	Ponder the layout of your home at the present time. When in your bedroom, are you closest to: (1) a bathroom (2) a kitchen (3) somewhere else
445	future_nonself	233	Consider the weather forecast across the country next February. Which states will likely receive the most snow: (1) Maine and Vermont (2) Ohio and Michigan (3) Utah and Colorado
465	past_self	234	Think back to the Internet browser you used when you accessed the internet yesterday. Was the browser: (1) Firefox (2) Safari (3) other
485	decision_moral	235	Consider that, at an amusement park, your friend is too short to ride a cool rollercoaster. Do you: (1) ride without them (2) skip that ride (3) sneak them on
505	past_nonself	236	Reflect upon the planets of our solar system over the past decade. Which was switched to "dwarf planet" in 2006: (1) Uranus (2) Mercury (3) Pluto
525	present_self	237	Reflect upon your level of tolerance for risky choices or behaviors at the present time. Do you think that you are: (1) quite prone to risk (2) not prone to risk (3) somewhat risk-prone
545	judgment_moral	238	Imagine Bob tells his friend that the dinner she cooked tastes awful. How badly does this hurt his friend's feelings: (1) very badly (2) somewhat badly (3) not at all
565	judgment_nonmoral	239	Suppose that Amy decides to wear a new sweater even though it is a really hot day. Amy made: (1) the right choice (2) the wrong choice (3) unsure
585	future_self	240	Envision that you are cold next January as you leave your home. When you notice that you are cold, will you: (1) add layers (2) move around (3) do something else

EPROJ9

Time_Start(s)	Condition	Q	Question
5	present_nonself	241	Speculate about current incarceration rates in the United States. Which US state has the highest rate of incarceration: (1) Mississippi (2) Oklahoma (3) Louisiana
25	present_self	242	Envision a major goal that you have at the present moment. Would you characterize this goal as related to: (1) your occupation (2) your health (3) something else
45	future_self	243	Ponder over becoming very hungry while out with friends next week. Which action will you take: (1) make food (2) buy food (3) wait to eat
65	judgment_nonmoral	244	Imagine it's John's birthday and his co-workers surprise him with a party. He likely feels: (1) overjoyed (2) anxious (3) indifferent
85	decision_moral	245	Think about trying to park at the dentist when the only spot left has a handicap sign. Do you: (1) park there (2) keep looking (3) something else
105	past_self	246	Think about the last time you checked your mailbox and had received a piece of mail. Was this item: (1) a letter (2) a bill (3) something else
