This document provides description of the data uploaded here. There are eight files:

- "Table 1, Figure 1, 2, 3.xlsx"
  This contains data used to construct Table 1 and Figures 1, 2, and 3.

- "Data and Description.xlsx"
  This contains data used to construct the other figures and tables, including the ones in appendices. Three data and their description are included. Data are analyzed using Stata.

- "Data1.dta"
  This file, which contains individual-level data from the ISSP, is used to construct Table 2 and Appendix B. The same data is included in Spreadsheet "Data1" in "Data and Description.xlsx".

- "Table 2, Appendix B.do"
  This is a Stata do-file used to construct Table 2 and Appendix B using "Data1.dta".

- "Data2.dta"
  This file, which contains data for a survey of voters from the UTokyo-Asahi Survey, is used to construct Table 3, Figure 4, Appendix C, and Appendix D. The same data is included in Spreadsheet "Data2" in "Data and Description.xlsx".

- "Table 3, Figure 4, Appendix C, D.do"
  This is a Stata do-file used to construct Table 3, Figure 4, Appendix C, and Appendix D using "Data2.dta".

- "Data3.dta"
  This file, which contains data for a survey of candidates from the UTokyo-Asahi Survey, is used to construct Table 4, Figure 5, Appendix E, and Appendix F. The same data is included in Spreadsheet "Data3" in "Data and Description.xlsx".

- "Table 4, Figure 5, Appendix E, F.do"
  This is a Stata do-file used to construct Table 4, Figure 5, Appendix E, and Appendix F using "Data3.dta".
