Codebook for replication data for **Children's Views of the American Presidency,** *Public Opinion Quarterly*

Zoe M. Oxley, Union College [corresponding author]; oxleyz@union.edu

Mirya R. Holman, Tulane University; mholman@tulane.edu

Jill S. Greenlee, Brandeis University; greenlee@brandeis.edu

Angela L. Bos, College of Wooster; abos@wooster

J. Celeste Lay, Tulane University; jlay@tulane.edu

Variable name	Variable description	Coding
locatnum_region	Region of school	1 = Midwest 2 = South 3 = Northeast B (Suburbs) 4 = Northeast A (small city)
id_code	Id_code of student	Id code for each student
grade	Grade of student	1 = first 2 = second 3 = third 4 = fourth 5 = fifth 6 = sixth
business	Check the names of the four most important people – business	1 = checked 0 = not checked
religious	Check the names of the four most important people – religious leader	1 = checked 0 = not checked
police	Check the names of the four most important people – police officer	1 = checked 0 = not checked
doctor	Check the names of the four most important people – doctor	1 = checked 0 = not checked
president	Check the names of the four most important people – president	1 = checked

		0 = not checked
principal	Check the names of the four most important people – principal	1 = checked 0 = not checked
governor	Check the names of the four most important people – governor	1 = checked 0 = not checked
judge	Check the names of the four most important people – judge	1 = checked 0 = not checked
teacher	Check the names of the four most important people – teacher	1 = checked 0 = not checked
mayor	Check the names of the four most important people – mayor	1 = checked 0 = not checked
pres_job	What kind of job has the President been doing?	1 = very good 2 = fairly good 3 = not very good 4 = bad 5 = don't know
clinton_job	Hillary Clinton ran for president in 2016. If she had been elected, what kind of job do you think she would have done?	1 = very good 2 = fairly good 3 = not very good 4 = bad 5 = don't know
obama_job	Barack Obama used to be the president. What kind of job do you think he did when he was the president?	1 = very good 2 = fairly good 3 = not very good 4 = bad 5 = don't know
presdoes_coded_c	What kinds of things do you think the President does?	1=factual description 2=benevolent 3=normative-positive 4=normative negative . = NA or don't know
pres_job_r	What kind of job has the President been doing?	1 = bad 2 = not very good

		3 = fairly good 4 = very good . = missing/don't know
pres_hard_r	Does the President work much harder than, as hard as, or less hard than most other people?	1 = less hard 2 = as hard as 3 = much harder . = missing/don't know
pres_honest_r	Is the President more honest than, as honest as, or less honest than most other people?	1 = less honest 2 = as honest as 3 = more honest . = missing/don't know
pres_know_r	Does the President know more than, know about the same as, or know less than most other people?	1 = less than 2 = same as 3 = more than . = missing/don't know
pres_best_r	Is the President the best person in the world, a good person, or not a good person?	1 = not a good person 2 = a good person 3 = best person . = missing/don't know
clinton_job_r	Hillary Clinton ran for president in 2016. If she had been elected, what kind of job do you think she would have done?	1 = bad 2 = not very good 3 = fairly good 4 = very good . = missing/don't know
obama_job_r	Barack Obama used to be the president. What kind of job do you think he did when he was the president?	1 = bad 2 = not very good 3 = fairly good 4 = very good . = missing/don't know
