Dear Mr. de Boer,

Please be informed that Norway wishes to associate itself with the Copenhagen Accord of 18 December 2009.

Norway will do its utmost to build on this Accord and will continue to work towards an ambitious, legally binding agreement at the UN Climate Change Conference in Mexico this year that meets the world's expectations for effective climate action.

Information on Norway's emissions target for inclusion in Appendix I pursuant to paragraph 4 of the Copenhagen Accord, will be submitted separately within the set deadline of 31. January 2010.

Yours sincerely,

Erik Solheim
