Dear Madame Executive Secretary:

I have the honor to present my compliments and to advise that the Government of the Republic of Liberia, after consultation with relevant stakeholders, has decided to associate with and support the Copenhagen Accord of December 18,2009. It is our desire that mechanism for disbursement of committed financial resources in the Accord for funding of climate adaptation, technology development and transfer and REDD be accelerated and that work continue towards a legally binding new climate treaty by COP-16 in Mexico City in December.

With sentiments of my highest consideration.
