No 139 IO/MFA.IC

The Ministry of Foreign Affairs and International Cooperation of the Kingdom of Cambodia presents its compliments to the Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC) in Bonn, and has the honour to refer to the Secretariat's Notification to Parties, dated 18 January 2010, on the ***communication of information relating to the Copenhagen Accord.***

In this regard, the Ministry has the honour to inform the latter that the ***Kingdom of Cambodia,*** *standing firm on its commitment to actively engage in the effort of the international community in tackling the global challenge of climate change,* ***would like to associate itself with the Copenhagen Accord of 18 December 2009 and wishes to have its name included in the chapeau of the Accord.***

Considering that the deforestation worldwide has contributed to around 20% of the GHG emission throughout the world, Cambodia has steadily implemented a pilot project within the framework of Reducing Emission from Deforestation and Forest Degradation (REDD) since last year, as part of its responsibility in tackling climate change.

The Ministry of Foreign Affairs and International Cooperation of the Kingdom of Cambodia avails itself of this opportunity to renew to the Secretariat of the United Nations Framework Convention on Climate Change the assurances of its highest consideration.
