ENUMERATOR: READ THE FOLLOWING TEXT OUT LOUD TO THE RESPONDENT.

We are now going to ask some more sensitive questions that we want you to answer privately. Therefore you will have to enter your answers on this device without showing me your answer. I will only read the questions using this script, but you will enter the answers in the device without letting me know. There will be pauses in the questionnaire indicated by a picture of an item.

The first question will take a yes-or-no answer. For such questions a "yes" answer is signified by a thumbs up and a "no" answer is signified by a thumbs down

The first question will take a yes-or-no answer. For such questions a "yes" answer is signified by a thumbs up and a "no" answer is signified by a thumbs down. An answer of "I don't know" is signified by a man shrugging. If you want to refuse to answer the question, you can select the picture of the man in the blue shirt refusing or pushing something away.
