Intro

Thank you for participating in this study!

Your participation in this study will last approximately 20 minutes.

It is important for you to read each question carefully and provide your best answers.

When you complete each task, please click >> *at the bottom right in order to proceed to the next task.*

Student ID

Please enter your 6-digit student ID number in the blank below.

Physi_Cond

Do you feel sick at this moment or have any illnesses that could prevent you from maintaining sound physical and psychological conditions for approximately 20 mins for this study?

[Please click **NO** if you feel you can continue with the study]

- ○ Yes
- ○ No

Are you sure you feel too sick to continue with the study? [If yes, you will not be qualified to participate in the study.]

- ◯ Yes
- ◯ No

You are not qualified for this study. Please see the research assistant for further instructions.

Intro Counting

Counting Task

In this task, you will be counting a certain number within a string of several numbers.

When you are ready, please proceed to the next screen and follow the instructions from the research assistant and from the screen.

Group 1

If you received a sheet of paper from a researcher assistant, please wait for further instructions to begin this task.

**For Researcher Assistant: If you are ready for the counting task, please proceed to the next page.

The counting task is complete.
Please click next to continue the survey.

Please write down how many multiples of "3" you counted in the blank below. (*only write down the number)

DVs

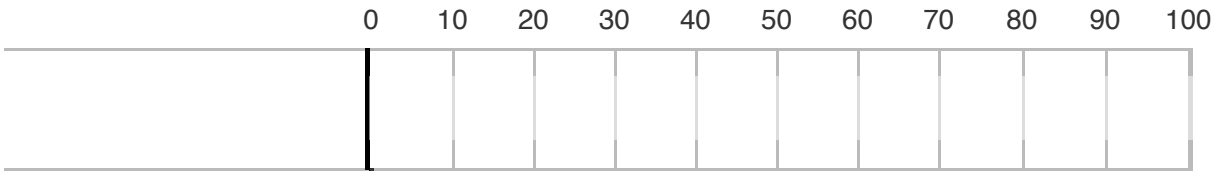
Did you finish the task?

- ◯ Yes
- ◯ No

Please use the sliding scale to indicate where you started experiencing fatigue during the counting task?

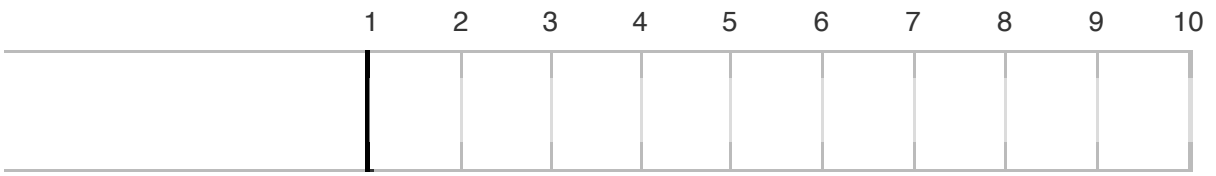
[Please click the point where you started experiencing fatigue between when you started counting (0%) and when you finished counting (100%)]

Started counting (0%) Last number (100%)



Please use the sliding scale to indicate your level of fatigue at the moment you started experiencing fatigue.

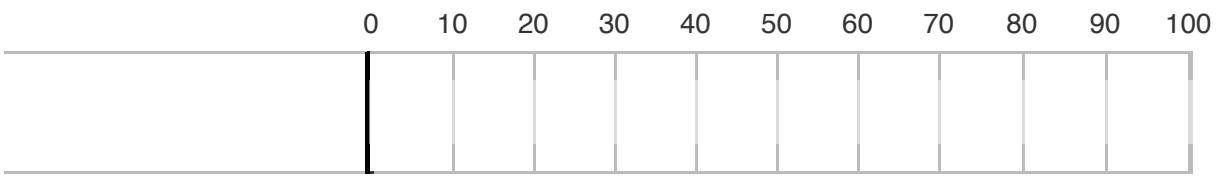
No Fatigue At All Extreme Fatigue



Please use the sliding scale to indicate where you experienced the most fatigue during the counting task?

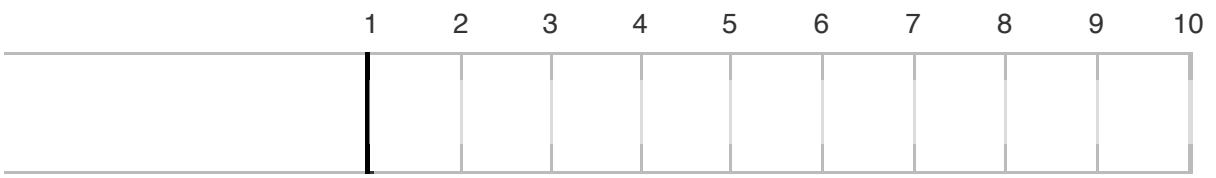
[Please click the point where you experienced the most fatigue between when you started counting (0%) and when you finished counting (100%)]

Started counting (0%) Last number (100%)



Please use the sliding scale to indicate your level of fatigue at the moment you experiencing the most fatigue.

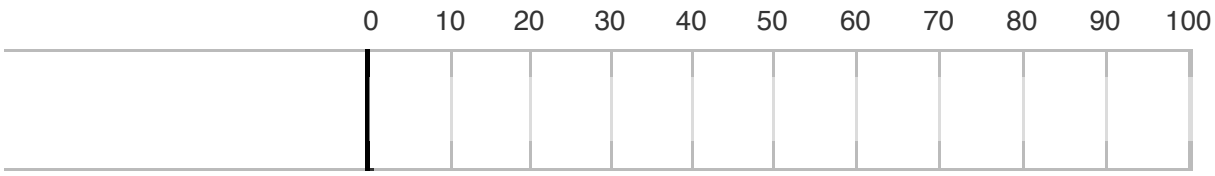
No Fatigue At All Extreme Fatigue



Please use the sliding scale to indicate when you experienced the most stress during the counting task?

[Please click the point where you experienced the most stress between when you started counting (0%) and when you finished counting (100%)]

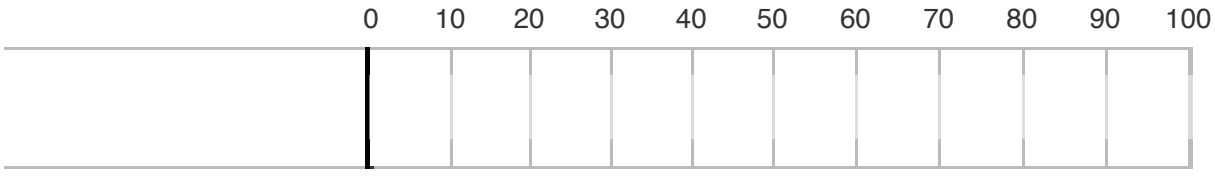
Started counting (0%) Finished counting (100%)



Please use the sliding scale to indicate approximately when you think you made the most mistakes during counting?

[Please click the approximate point where you made the most mistakes between when you started counting (0%) and when you finished counting (100%)]

Started counting (0%) Finished counting (100%)



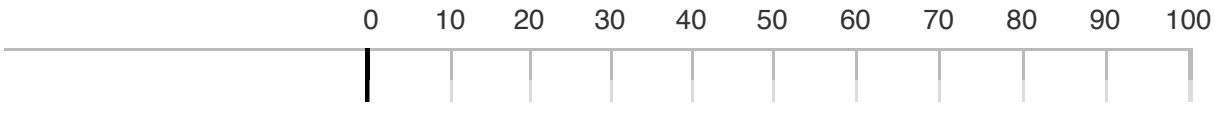
Did you feel like you wanted to give up at any point during the counting task?

- ◯ Yes
- ◯ No

Please use the sliding scale to indicate approximately when you felt like giving up.

[Please click the approximate point where you felt like giving up between when you started counting (0%) and when you finished counting (100%)]

Started counting (0%) Finished counting (100%)



Stress

Please use the sliding scale to indicate your current level of stress at this moment.

Not Stressed At All Extremely Stressed

1 2 3 4 5 6 7 8 9 10

Demographic

What is your gender?

- ◯ Male
- ◯ Female

What is your age?

What is your ethnicity?

- ◯ African-American
- ◯

- Latina/o
- Asian
- Caucasian/White
- Native American
- Middle Eastern
- Biracial
- Multiracial
- Would rather not say
- Other

In which US state were you BORN?

In what country were you born?

Is English your native language?

- Yes
- No

What is your native language?

What is the highest level of education you have attained?

- Less than high school
-

High school graduate

- Some college credit but no degree
- Associate's degree
- Bachelor's degree
- Master’s degree
- Professional degree
- Doctorate degree
- Prefer not to answer

Strategy

What was your strategy for counting the multiples of 3?

Purpose

What did you think the purpose of this study was?
