The Replication Files for the Paper "Charity Begins at Home: Domestic Political Economy of Chinese Foreign Aid" by Sibo Liu and Dong Zhang

Files

result_summary.xlsx

The excel file that includes all tables and figures in the main text and online appendix. Tables and figures are in separate sheets labeled with the order as in the paper.

log_file_main.log

The log records for tables and figures in the main text.

log_file_online.log

The log records for tables and figures in the online appendix.

code.do

The code for all results in the main text and online appendix.

\data

The data folder contains samples for analysis.

\data\Sample_ctry_year.dta

The country-year level sample for results in:

- Table 1A, Table 2, Figure 1A, Figure 1B, Table TA1A, Table TA2, Table TA3, Table TA4, Table TA5, Table TA6A, Figure FA1C, Figure FA2A, Figure FA2B

\data\Sample_ctry_ind_year.dta

The country-industry-year level sample for results in:

- Table 1B columns (1) and (2), Table 3, Table TA1B, Table TA6B columns (1) and (2), Table TA7

\data\Sample_ctry_ind_year_US.dta

- The country-industry-year level US sample for results in Table TA8

\data\Sample_firm_ctry_year.dta

The sample at the firm-country level for results in:

- Table 1B columns (3) and (4), Table 4, Table 5, Table 6, Figure 2, Table TA1C, Table TA6B columns (3) and (4), Table TA9, Table TA10, Table TA11, Table TA12

\data\Sample_price.dta

The sample at the firm-country-product category level, for results in Table 7.

\data\Sample_aid_year.dta

The aggregated aid data for Figure FA1A and Figure FA1B.

Note

The samples "\data\Sample_firm_ctry_year.dta" and "\data\Sample_price.dta" are not shared as they contain proprietary data at the firm level. Related log records are in "log_file_main.log" and "log_file_online.log".
