DETH0.[Sliding Scale – S – Range 0-100]
Next are some questions about various groups in our society. Below are left-right scales on which you can rate characteristics of people in different groups.

- For the first item below, the far left side of the scale means that you think most of the people in that group are "hard working."
- Placing the slider on the far right side means that you think most of the people in that group are "lazy."

The middle means that you think the people in this group are not particularly towards one end or the other.

DETH1. Where would you rate whites in general on these scales?

Hard working																				Lazy

Trustworthy																					Untrustworthy

Political System Legitimacy

TIME THIS QUESTON

RE25. [**Grid SP across]**
Please tell us how much you agree or disagree with each of the following statements:

ACROSS:

1. Strongly agree
2. Somewhat agree
3. Neither agree nor disagree
4. Somewhat disagree
5. Strongly disagree

Down:

RE25a. It seems that whoever people vote for, things go on pretty much the same.
RE25b. Elections work well to help select the best political leaders.
RE25c. Certain individuals or groups have so much influence over the way things run that the interests of the majority are often ignored.
RE25d. People should be allowed to vote even if they cannot do so intelligently.

RE25e. There must be a better way to elect political leaders than the way elections work in our country.
