Corrigendum

Item 3(a), page 6

The fourth sentence of the statement by the representative of Brazil should read as follows:

"He noted furthermore that the Committee had expressed doubts whether the Brazilian measures could be fully justified under Article XVIII:B and that the Committee concluded that extensive import restrictions were not the appropriate means of restoring equilibrium on the current account other than on a very temporary basis."

The one but last sentence of the statement by the representative of Brazil should begin as follows:

"He stated that Brazil had recently adopted ..."
