Note on change to the data on March 10, 2022.

One column of data from each of the files: “white_face_data.csv”, “t1_data.csv”, “hispanic_face_data.csv”, “confederate_face_data.csv” was removed because it contained potentially personally identifying information. This column of data was not used in any analysis. No other changes were made to the data or code.
