Informed

I agree to participate in a research study conducted by Clara Vandeweerdt at the MIT Political Science Department. In order to analyze responses to the questionnaire, my answers will be recorded. Researchers will have no access to any personal information about me, except for my MTurker ID, the time at which I took the survey and the answers I filled out. No identifying information about me will be made public and any views I express will be kept completely confidential.

Findings from this study will be reported in scholarly journals, at academic seminars, and at research association meetings. The data will be stored at a secured location and retained indefinitely. My participation is voluntary. I am free to withdraw from the study at any time.

By participating in this survey, I confirm that I am 18 or older. **I also give the researchers permission to invite me for a (paid) follow-up study.**

Please select one of the following options. If you choose not to participate, the survey will end immediately and no data will be recorded. Should you have questions, please send an e-mail to claravdw@mit.edu.

- ○ I agree to participate
- ○ I do not agree to participate
