Codebook for datasets used in "Political Distinctiveness and Diversity among LGBT Americans"

Phil Jones
pejones@udel.edu
www.pejones.org

General notes on dependent variable names used for survey data:

Prefixes refer to the type of dependent variable.
- "genl" = general predispositions and vote
- "lgbt" = LGBT rights
- "atts" = Other issues

Suffixes indicate the kind of variable
- "b" = binary dichotomous variable
- "c" = continuous variable

ANES, 2008-2016

weight	Weight from ANES
lgb	Respondent's sexual orientation
lgbdummy	Indicator variable for LGB respondent
genl.ideo.c	Liberal ideology
genl.pid7.c	Democratic party ID
genl.vote.b	Presidential vote for Democrat
lgbt.marr.c	Support marriage equality
lgbt.jobs.c	Support LGB job protections
lgbt.adpt.b	Support LGB adoption rights
atts.serv.c	Increase spending and services
atts.defs.c	Reduce defense spending
atts.hlth.c	Support government insurance
atts.guar.c	Support guaranteed jobs
atts.aidb.c	Support aid to blacks
atts.socs.c	Increase spending on Social Security
atts.schl.c	Increase spending on public schools
atts.scie.c	Increase spending on science
atts.wlfr.c	Increase spending on welfare
atts.chil.c	Increase spending on child care
atts.envn.c	Increase spending on environment
atts.dpen.c	Oppose death penalty
atts.guns.c	Make it harder to buy guns
atts.imlv.c	Increase immigration levels
atts.abrt.c	Pro-choice abortion view
atts.lgov.c	Support larger government
atts.rsnt.c	Lower racial resentment
atts.aact.c	Support affirmative action
age	Respondent's age
race	Respondent's race
female	Indicator for female respondent
married	Indicator for married respondent

income	Respondent's income
educ	Respondent's education
rel.atd	Respondent's religious attendance
region	Respondent's region of US
year	Year of ANES survey

CCES, 2016-2018

weight	Weight from CCES
lgb	Respondent's sexual orientation
trans	Indicator variable for transgender respondent
lgbtdummy	Indicator variable for LGBT respondent
genl.ideo.c	Liberal ideology
genl.pid7.c	Democratic party ID
genl.vote.b	Presidential vote for Democrat
lgbt.marr.b	Support marriage equality
lgbt.mimp.c	Marriage equality important
lgbt.tban.b	Oppose transgender military ban
atts.guns.c	Support more gun control
atts.abrt.c	Pro-choice abortion views
atts.envn.c	Support environmental protections
atts.ocre.b	Oppose repealing Obamacare
atts.im16.c	More liberal immigration views (2016)
atts.im18.c	More liberal immigration views (2018)
atts.racm.c	More liberal racial attitudes
atts.rsnt.c	Lower racial resentment
atts.infr.b	Support infrastructure spending
atts.mwag.b	Support raising minimum wage
atts.gors.b	Oppose Gorsuch confirmation
atts.kavn.b	Oppose Kavanaugh confirmation
atts.russ.b	Support Russia sanctions
atts.isrl.b	Oppose Jerusalem as capital
atts.keys.b	Oppose Keystone pipeline
atts.clim.b	Support Paris climate agreement
atts.tp18.b	Oppose TPP withdrawal
atts.powr.b	Support clean power rules
atts.ir18.b	Support Iran nuclear deal
atts.mban.b	Oppose travel ban
atts.regs.b	Oppose cutting regulations
age	Respondent's age
race	Respondent's race
female	Indicator for female respondent
married	Indicator for married respondent
income	Respondent's income
educ	Respondent's education
rel.atd	Respondent's religious attendance
region	Respondent's region of US
year	Year of CCES survey

AP VoteCast, 2018

weight	Weight from AP VoteCast
lgb	Respondent's sexual orientation
trans	Indicator variable for transgender respondent
lgbtdummy	Indicator variable for LGBT respondent
genl.ideo.c	Liberal ideology
genl.pid5.c	Democratic party ID
genl.voth.b	House vote for Democrat
age	Respondent's age
race	Respondent's race
female	Indicator for female respondent
married	Indicator for married respondent
income	Respondent's income
educ	Respondent's education
rel.atd	Respondent's religious attendance
region	Respondent's region of US

Pew, 2013

weight	Weight from Pew
lgbt	Respondent's sexual orientation and transgender identity
genl.ideo.c	Liberal ideology
genl.pid3.c	Democratic party ID
lgbt.marr.c	Support marriage equality
lgbt.adpt.c	Support LGB adoption rights
atts.govt.b	Support larger government
atts.guns.b	Support gun control
atts.immg.b	Believe immigrants strengthen U.S.
atts.bens.b	Benefits don't go far enough
age	Respondent's age
race	Respondent's race
female	Indicator for female respondent
married	Indicator for married respondent
income	Respondent's income
educ	Respondent's education
rel.atd	Respondent's religious attendance
region	Respondent's region of US

Journal articles dataset

name	Name of journal article
year	Year published
journal	Journal published in
issue	Issue number of publication
DV	Dependent variable(s) used in analysis
race_ethnicity	Did analysis account for race/ethnicity or not?
gender	Did analysis account for gender or not?
income	Did analysis account for income or not?
education	Did analysis account for education or not?
age	Did analysis account for age or not?
lgbt	Did analysis account for LGBT identity or not?
