Part A

Group name

Group ID

County

Sub-county

Village

Date of interview

Take GPS reading

Part B

1. Number of adult males present:
2. Number of adult females present:
3. Has group ever aggregated maize for sale?
4. Has group ever purchased inputs together?

5a. Did anyone enter or leave since counting the number of people? YES/NO (if no, skip to qn. 6)

5b. Previously, there were (answer to 1 + answer to 2) people present, now how many are there? _____

6. How many of those present used fertilizer for the March harvest season?

_____ (programming note: number cannot exceed total present)

7a. Did anyone enter or leave since the last question? YES/NO (if no, skip to qn. 8)

7b. Previously, there were (most recently answered of: 1+2, 5b) people present, now how many are there? _____

8. How many of those present know what either crop or weather insurance is?
   _____ (programming note: number cannot exceed total present)

9a. Did anyone enter or leave? YES/NO (if no, skip to qn. 10)

9b. Previously, there were (most recently answered of: 1+2, 5b, 7b) people present, now how many are there? _____

10. How many of those present have been trained on crop or weather insurance? _____ (cannot exceed total present)

11a. Did anyone enter or leave? YES/NO (if no, skip to qn. 12)

11b. Previously, there were (most recently answered of: 1+2, 5b, 7b, 9b) people present, now how many are there? _____

12. How many of those present have ever purchase or been given crop or weather insurance? _____ (cannot exceed total present)

13a. Did anyone enter or leave? YES/NO (if no, skip to qn. 14)
13b. Previously, there were (most recently answered of: 1+2, 5b, 7b, 9b, 11b) people present, now how many are there? _____

14. How many of those present have ever received a payout from crop or weather insurance? _____ (Note: do not skip even if 12 is no – in case someone remembers after previously saying no, or received someone else's payout) (cannot exceed total present)

15a. Did anyone enter or leave? YES/NO (if no, skip to qn. 16)

15b. Previously, there were (most recently answered of: 1+2, 5b, 7b, 9b, 11b, 13b) people present, now how many are there? _____

16. How many of those present know of anyone who received a payout from crop or weather insurance? _____ (cannot exceed total present)

17a. Did anyone enter or leave? YES/NO (if no, skip to qn. 18)

17b. Previously, there were (most recently answered of: 1+2, 5b, 7b, 9b, 11b, 13b, 15b) people present, now how many are there? _____

18. How many of those present currently or ever had health insurance? _____(cannot exceed total present)

19a. Did anyone enter or leave? YES/NO (if no, skip to qn. 20)

19b. Previously, there were (most recently answered of: 1+2, 5b, 7b, 9b, 11b, 13b, 15b, 17b) people present, now how many are there? _____

20. How many of those present have an MPesa account? _____(cannot exceed total present)

21a. Did anyone enter or leave? YES/NO (if no, skip to qn. 22)

21b. Previously, there were (most recently answered of: 1+2, 5b, 7b, 9b, 11b, 13b, 15b, 17b, 19b) people present, now how many are there? _____

22. How many of those present have ever gotten a loan? _____(cannot exceed total present)

23a. Did anyone enter or leave? YES/NO (if no, skip to qn. 24)

23b. Previously, there were (most recently answered of: 1+2, 5b, 7b, 9b, 11b, 13b, 15b, 17b, 19b, 21b) people present, now how many are there? _____

24. How many of those present have ever heard of aflatoxin? _____ (programming note: number cannot exceed total present)

25a. Did anyone enter or leave? YES/NO (if no, skip to qn. 26)

25b. Previously, there were (most recently answered of: 1+2, 5b, 7b, 9b, 11b, 13b, 15b, 17b, 19b, 21b, 23b) people present, now how many are there? _____

26. how many of those present normally run out of home-produced maize at some point in the year and have to buy maize to eat? _____ (programming note: number cannot exceed total present)

27a. Did anyone enter or leave? YES/NO (if no, skip to qn. 28)

27b. Previously, there were (most recently answered of: 1+2, 5b, 7b, 9b, 11b, 13b, 15b, 17b, 19b, 21b, 23b, 25b) people present, now how many are there? _____

28. How many of those who normally run out of maize at some point buy directly from a farmer they know, rather than from the market? _____ (cannot exceed answer to qn. 26)

29a. Did anyone enter or leave? YES/NO (if no, skip to qn. 30)

29b. Previously, there were (most recently answered of: 1+2, 5b, 7b, 9b, 11b, 13b, 15b, 17b, 19b, 21b, 23b, 25b, 27b) people present, now how many are there? _____

30. How many of those present who normally buy maize from any source would pay extra for maize that they knew was aflatoxin-safe? _____ (cannot exceed answer to qn. 26)

31. Considering the main season (March harvest) how many of the past 10 were good, bad, normal? (ask everyone present to discuss and agree on this)

a. Number bad years	b. Number normal years	c. Number good years

Programming note: must sum to 10.

Indicate on the paper form who among the list of farmers is present at this time.

32. How many farmers are present? _____ → go to paper survey

33. How many farmers are marked as selected? _____

34. For each selected farmer, enter the ID from the paper list, then ask the following questions.

ID	How many bags harvested in Feb/March in a:			d. How many bags of maize sold from NORMAL Feb/March harvest?	e. How much did you spend on fertilizer for maize harvested last Feb/March?
	a. Bad season	b. Good season	c. Normal season		

35. Group size- Include all the group members, either present or absent in the meeting
36. Does this group belong to a larger group (CBO)
    0-yes
    1-No
37. If yes, what is the name of the CBO?

Confirm before leaving:

1. Did you get GPS reading?
2. Do you have a complete list of group members (including anyone who came late; confirm with chairperson whether he or she remembers anyone else not already listed)?
