Replication files for:

"Victim incentives and criminal activity: Evidence from bus driver robberies in Chile"
Patricio Domínguez

This folder contains the Stata do files and the datasets that generate tables and figures from the paper.

Main Folder:
- dta: contains the following datasets: muni_week.dta; weapon_si.dta; cip.dta; and value_good.dta.
- do: contains all the stata do files to replicate the tables/figures
- Figures: repository folder for the output figures of the do files (.pdf format)

Instructions for replication
1. Open the do file with the corresponding name of the Table/Figure
2. Set the directory path in the global variable $rep accordingly (for example: global rep "/Users/patriciodominguez/RES_Dominguez Dropbox/Patricio Dominguez/Replication/TS")
3. Run the do file.
