ANNOUNCEMENT
March 18, 2020

All oral arguments scheduled through the end of May 2020 before the Supreme Court of Delaware are cancelled.

The Court will decide all March, April, and May appeals without argument unless a motion is filed no later than March 27, 2020 requesting oral argument and stating concisely why oral argument is required, and the position of opposing counsel. No response is permitted. If the motion is granted, the Court will reschedule oral argument to a date to be determined by the Court taking into consideration the duration of the current health emergency affecting the Delaware Courts.
