SUPREME COURT OF NEW JERSEY

In response to the growing public health crisis worldwide and in New Jersey involving the COVID-19 coronavirus, it is ORDERED, effective immediately and until further order, that the existing **New Jersey Judiciary Travel Regulations** are refined as follows:

1. **International Travel**. No Judiciary-related business travel to locations outside of the United States will be approved.

   Any Judiciary-sponsored events that would involve foreign nationals travelling internationally to New Jersey will be postponed or will be adjusted so that any such individuals can participate remotely via videoconference.

2. **Domestic Travel**. All domestic out-of-state travel on Judiciary-related business must be approved in advance by the Acting Administrative Director of the Courts. Particular caution will be taken to avoid any out-of-state travel to areas that have been reported as affected with community spread of COVID-19.
