EXECUTIVE ORDER ON THE CONSOLIDATION OF HUMAN RESOURCE PERSONNEL

WHEREAS, the State of Wyoming is facing her greatest fiscal challenge since statehood and is called upon to make significant budget cuts; and

WHEREAS, the State must prepare now for these challenges and the quicker we act, the greater ability the State will have to minimize the impact on people; and

WHEREAS, Wyo. Stat Ann. § 9-2-1002(b) allows the Department of Administration and Information (Department) to assist the Governor in discharging his duties as chief executive and administrative officer of the executive branch of the government, and specifically mandates that the Governor, through the Department, shall coordinate, consolidate, and provide services which are used by more than one agency, board, or commission and promote economy and efficiency in government; and

WHEREAS, the consolidation of human resources personnel will result in significant cost savings and promote efficiency in government.

NOW, THEREFORE, pursuant to the authority vested in me by the Constitution and by the laws of the State of Wyoming, I, Mark Gordon, do hereby order and direct:

1. The Director of the Department of Administration and Information to coordinate the immediate consolidation of all human resources personnel to be housed under the Department.
