officials of the States to guard and protect," *South Bay United Pentecostal Church, et al., Applicants* v. *Gavin Newsom, Governor of California, et al.*, No. 19A1044, 590 U.S. __ (2020), at 3 (Roberts, C.J., concurring); and

WHEREAS, New Hampshire courts have recognized that the outbreak and death toll in New Hampshire would likely be higher without the Governor's initial order declaring a State of Emergency, and that, given the alarming number of cases in neighboring states and the national and international coordination required to sufficiently control the spread of the disease, COVID-19 is a "disaster of major proportions" that lies "beyond local control." *BAMP Track Operations, LLC v.
