MVC Centers in North Bergen and East Orange Closed Due to COVID-19

TRENTON – The New Jersey Motor Vehicle Commission (NJ MVC) today announced the North Bergen Licensing Center and East Orange Vehicle Center are closed due to a single employee testing positive for COVID-19 at each location.

North Bergen will be closed until Monday, March 22. The employee who tested positive was last in the agency Saturday, March 6.

East Orange will be closed until Tuesday, March 23. The employee who tested positive was last in the agency Monday, March 8.

West Deptford Regional/Licensing Center	Friday, March 12

MVC Online

Many customers can go online and skip the trip to the MVC. Nearly 30 different Motor Vehicle Commission services and transactions are available for customers online at **NJMVC.gov** (https://njmvc.gov/). This includes most standard license and registration renewals and replacements.

More than 80% of standard license renewals and nearly all vehicle registration renewals are now being completed without an in-person MVC visit.

Scheduling an Appointment for an In-Person Visit

Nearly all in-person transactions at both Licensing Centers and Vehicle Centers require an appointment scheduled at **NJMVC.gov** (https://njmvc.gov/).

Appointments are scheduled up to 60 days in advance and are widely available. The MVC has more than doubled daily appointments for license and registration recently.

Appointment Cancellations

Any appointments canceled due to an MVC location closure must be rescheduled on the

website. Customers will get an email when their appointment has been canceled.

If a customer can't make an appointment, it should be canceled using guidance in the MVC's confirmation email to open the appointment for others.

Renewals

License/ID and registration renewals that can't be completed online require an appointment. Renewals are not available on a walk-in basis.

Check Your Documents

Customers should check the expiration date on their documents and renew early. Most licenses can be renewed online three months before expiration and most vehicle registrations two months before expiration. If you can't renew online, make an appointment within the renewal window. Don't wait until you're up against an expiration date!

Know Before You Go

Before all MVC visits, customers should log on to **NJMVC.gov** (https://njmvc.gov/) to check if the agency might be closed because of an employee testing positive for COVID-19, or for any other reason. The MVC has 39 locations to serve customers throughout the state.

Customers can complete many transactions online, schedule appointments, and find out more about MVC operations on the website. Customers can also identify whether a license or vehicle transaction is available online, by appointment, or walk-in by using the **MVC "Cheat Sheet"** (https://www.nj.gov/mvc/pdf/about/cheatsheet.pdf) on the home page of the website.
