Governor Carney, DPH, DEMA Announce Community COVID-19 Testing Sites

State agencies encourage COVID-19 testing

WILMINGTON, Del. – Governor John Carney, the Delaware Division of Public Health (DPH), and the Delaware Emergency Management Agency (DEMA) announced the list of community testing sites throughout Delaware this week. Testing locations listed below include pop-up and Curative trailer sites, as well as community sites hosted by the Latin American Community Center and Henrietta Johnson Medical Center.

> *"Testing for COVID-19 is the best way to track the spread of this virus across our state and country. It's also the way we contain potential outbreaks. Please consider getting a free test—whether you have symptoms or not," said **Governor Carney**. "As we approach the holiday season, it's more important than ever to follow the basic public health measures that we know work to reduce the spread of COVID-19. Avoid gatherings with those outside your household. Keep wearing a mask in public. Wash or sanitize your hands frequently. Stay vigilant."*

DEMA has coordinated community sites this week in addition to sites at Walgreens and at various hospitals and health care locations. Delawareans can view a full list of COVID-19 testing locations and reserve a spot at **de.gov/gettested**.

Delawareans are encouraged to check the Delaware Department of Health and Social Services' social media accounts (Facebook, Twitter, and Instagram) for testing location updates due to inclement weather.
