NEWS

TEMPORARY DRIVER LICENSE TESTING SCHEDULE CONTINUES

The Arkansas State Police will continue Class D (conventional motor vehicle) driver license testing under the temporary and limited adjustments made effective on March 18th. State police commanders had planned to re-consider the schedule adjustments on March 27th. That date has now been extended to the end of business day, Friday, April 3rd.

No changes have been implemented, nor planned, relating to commercial driver license applicants. CDL testing is continuing on a regular schedule.

Changes to the Class D schedules became necessary as city and county government buildings where state police driver license testing occurred began to temporarily close or limit public access.

Driver license testing is now restricted to Arkansas State Police Troop Headquarters (with the exception of Troop J at Clarksville). Testing in the River Valley area is limited to a testing center operated in Russellville at 765 Hob Knob Road. Only the knowledge portion of the Class D driver license is being administered during the temporary schedule. No skills tests are being offered.

A directory of Arkansas State Police Headquarters with addresses and telephone numbers can be found at https://asp.arkansas.gov/divisions/highway-patrol/
