TODAY: Registration Opens for Curative Second Dose COVID-19 Vaccination Events

Events in each county planned for Delawareans who received their first vaccination on or before January 18 at state-sponsored vaccination events

Registration opens at 10 a.m. today on Curative website

WILMINGTON, Del. – Governor John Carney, the Division of Public Health (DPH), and the Delaware Emergency Management Agency (DEMA) announced that registration for second-dose Curative events in all three counties will open at **10:00 a.m. TODAY, Thursday, February 11**.

Registration will be available here:

Georgetown: https://curative.com/sites/25123

Dover: https://curative.com/sites/25081

Wilmington: https://curative.com/sites/25122

NOTE: Next week's second dose events will be hosted from February 15-19 at Delaware Technical Community College (DTCC) campuses in Dover, Wilmington, and Georgetown. The DTCC events are planned for Phase 1A-eligible Delaware workers and 65+ Delawareans who received their first doses of the COVID-19 vaccine at state-sponsored large vaccination events. In total, 3,800 second dose appointments will be available. ***Anyone without proof of first vaccination on or before January 18 will be turned away from the vaccination events, even if they have an appointment.***

Delawareans who received their first vaccination on or before January 18 at an enrolled pharmacy or health care provider should contact their provider or pharmacy to schedule a second dose appointment before attempting to register for a state-sponsored event. The State of Delaware will allocate second dose vaccines to enrolled providers as close to the 21- to 28-day window as federal supply allows. ***Additional state-sponsored, second-dose events are expected to begin as early as February 20 for individuals who received their first dose at state-sponsored events***.

> *"Our goal is to vaccinate as many Delawareans as possible, as quickly and equitably as possible," said **Governor Carney**. "These second dose events will temporarily reduce our ability to expand access to first doses of the COVID-19 vaccine. But we are making significant progress in vaccinating vulnerable 65+ Delawareans and front-line health care workers. That will help limit spread of COVID-19 and serious illness among our most vulnerable populations."*

Delawareans who lost their vaccination record card can request their immunization record by emailing vaccine@delaware.gov (subject line: Lost Vaccine Card). Please include full name and date of birth when requesting proof of COVID-19 vaccine first dose. Don't have email access? Call 1-833-643-1715.

Learn more about Delaware's COVID-19 vaccination program at de.gov/covidvaccine.

Are you 65 or older? Sign up for the State of Delaware's vaccination waiting list at vaccinerequest.delaware.gov. Delawareans also may call DPH's Vaccination Call Center at 1-833-643-1715.

Individuals with general questions about COVID-19 should call Delaware 2-1-1. Those who are deaf or hard of hearing can text their ZIP code to 898-211, or email delaware211@uwde.org. Hours of operation are 8:00 a.m. to 9:00 p.m. Monday through Friday; 9:00 a.m. to 5:00 p.m. Saturday and Sunday. Medically related questions regarding testing, symptoms, and health-related guidance can be submitted by email at DPHCall@delaware.gov.
