Governor Carney, DPH, DEMA Announce Community COVID-19 Testing Sites

WILMINGTON, Del. – Governor John Carney, the Delaware Division of Public Health (DPH), and the Delaware Emergency Management Agency (DEMA) announced the list of community testing sites throughout Delaware next week. Testing locations listed below include pop-up and Curative trailer sites, as well as community sites hosted by New Castle County and Henrietta Johnson Medical Center.

> *We are working hard to distribute the vaccine in a way that's fast and fair, and we are expanding our efforts to vaccinate educators, school staff, and child care workers," said **Governor Carney**. "In the meantime, we need to stay vigilant to prevent the spread of COVID-19. Get tested, wear a mask, wash your hands and practice social distancing until we can vaccinate enough Delawareans."*

DEMA has coordinated community sites this week in addition to sites at Walgreens and at various hospitals and health care locations. Delawareans can view a full list of COVID-19 testing locations at de.gov/gettested.

Delawareans are encouraged to check the Delaware Department of Health and Social Services' social media accounts (Facebook, Twitter, and Instagram) for testing location updates due to inclement weather.
