Governor Carney, DPH, DEMA Announce Community COVID-19 Testing Sites

WILMINGTON, Del. – Governor John Carney, the Delaware Division of Public Health (DPH), and the Delaware Emergency Management Agency (DEMA) announced the list of community testing sites throughout Delaware next week. Testing locations listed below include pop-up and Curative trailer sites, as well as community sites hosted by New Castle County and Henrietta Johnson Medical Center.

> *"We are sprinting to vaccinate our 1A health care workers and first responders who care for our most vulnerable Delawareans. In the meantime, we need to stay vigilant to prevent the spread of COVID-19," said* ***Governor Carney****. "Testing is the best way to track the spread of COVID-19 and monitor for potential outbreaks. But it's not a replacement for basic prevention measures that we know work. Wear a mask, wash your hands, and do not gather with friends and family outside of your household."*

DEMA has coordinated community sites this week in addition to sites at Walgreens and at various hospitals and health care locations. Delawareans can view a full list of COVID-19 testing locations at **de.gov/gettested**.

Delawareans are encouraged to check the Delaware Department of Health and Social Services' social media accounts (Facebook, Twitter, and Instagram) for testing location updates due to inclement weather.
